November 2023

The project to replace outdated water meters with new remote-read meters is 75% complete. In October, Winslow Water employees read 200 meters in just one hour! This will free up a lot of time for our water crews to work on leaks and other projects.

The new billing software for water system accounts is up and running. This will help with accuracy and finding leaks. It will also allow customers to keep track of water usage in real time.

Repairs to hail damage on the roofs at the ball park pavilion, concession stand, and stage and the roof at the Winslow Community Center gym will all be finished within the next 2 to 3 weeks.

Construction of the 6 foot wide, 1/3 mile long asphalt trail around the ball field at Larry “Tiny” Jarnagan Park (a.k.a. Slicker Park) will be done soon. The loop, paid for in part by a \$100,000 Arkansas Department of Parks, Heritage, and Tourism grant, will provide exercise opportunities for our community and accessibility to amenities for people with disabilities. Sales tax funds will cover remaining project costs.

The metal marker designating the Downtown Winslow Commercial Historic District is installed. Stop by the Winslow Museum, read about our historic city, and enjoy the new museum exhibits.

Visit WinslowAR.com for more information about our city. Everyone is invited to Saturday morning Coffee Klatch gatherings at City Hall and to the Farmers Market downtown from 8:30 to 11:30. Residents are also welcome to attend City Council meetings on third Mondays at 6pm.

Winslow Community Center News

During this season of gratitude, we are thankful for you, our community and for the ongoing improvements that make our facility better for the community as a whole. For our board, we feel blessed to give back and honor the school and community that helped form us and to honor those who came before us. Our team is still working on the repair and replacement of the signage on Hwy 71. It is proving difficult due to the electric line being cut under the paved drive. We're pursuing solar options. Most of us know where the community center is, but new folks to our community struggle finding our building... especially during evening events. The lighted sign would help these folks. A huge thank you to two alumni and an anonymous donor for donating funds toward this project.

My Mom always said that "Many hands make light work". Come be part of the restoration and improvement of our buildings. A special thank you to the Sister Missionaries from the Church of Jesus Christ of Latter-Day Saints in Prairie Grove for spending a day scraping rust off and painting one section of the railing near the cafeteria. There are still 7 sections to go. We have lots of small projects....would your church, family, or organization be willing to take on one of those projects? We need you Slowtowners!

Dealing with contractors and insurance companies can get complicated some times. Our new start date for replacing the entire roof of the gym/cafeteria building is November 6th. This may conflict with scheduled rental reservations but we'll do our best to coordinate the effort.

Generations of men and women from our community have valiantly served our country. We will be hosting a Veteran Celebration on November 4 at 1:00. We will have a special program and serve lunch. We honor all Veterans and would be happy to serve you a complimentary lunch. Other guests will be invited to donate a small fee. 3 combat veterans who currently live in Winslow will be awarded handmade quilts.

At our annual meeting in October, 2 longtime board members rotated off the Board of Directors. A huge thank you to Mr. Jerry Bromley for his dedicated service to the restoration of the building. Jerry is a charter member of the original board that was formed under the direction of our founder Gary Simpson. Mr. Travis Carlin is a long-time contributor to the board. We appreciate his years of service and efforts. Travis has a gift of thinking "outside of the box" and coming up with possibilities. Three new members were elected to the Board of Directors: Maxine Reed, Tracy Wilson, and Michael Wells. Welcome friends!

If your family has outgrown your space, our cafeteria or gym might be perfect for you. Contact Kerri to make your family Christmas celebration reservations

Our meetings are the third Tuesday of each month at 6:30. We love to hear your input.

NORMA MYRTLE GABBARD August 12, 1930 - August 23, 2023

Norma Myrtle Gabbard, 93, of Fayetteville, Arkansas went home to be with the Lord on Wednesday, August 23, 2023. She was born in Hazel Valley, Arkansas

on August 12, 1930 to James and Myrtle Shackelford Skelton. When Norma was still quite young, her mother became very ill and the responsibility of raising Norma was taken on by her older sister Hazel and her brother Harold. Later in life, Norma would be like a big sister to her nieces, Donna Parrish and Sharol Skelton.

The family continued to live in the beautiful mountains and valleys of Arkansas. They lived on a river and every time it rained hard the creeks rose. Norma's dad, Jim, would have to cut down a tree so they could cross the swollen creeks to get to the store and school. Despite the flooding, Norma loved the family home until one year the river finally washed out their two-story rock house. The post office was located in their rock house but they were forced to move due to the flooding.

Norma attended Hazel Valley School through the eighth grade. She married Noah Gabbard in 1947. After moving to Fayetteville in 1948, she enjoyed raising her two boys and keeping up with her large extended family. Even though the family was growing in number, they still managed to have at least one family reunion every year hosted by different family members each time. Aunts, Uncles and cousins from all over the country would make their way back to Arkansas to enjoy home-cooked meals spread out on long tables in homes, community buildings, or just on the lawn under shade trees!

In 1956, Norma attended LPN school and subsequently was employed by the surgical group of Murry and Wood where she continued to work until

retirement in 1997. At 13 years old Norma chose to accept God's free gift of salvation; she was a member of Calvary Baptist Church in Fayetteville where she loved the Lord and served Him faithfully. She has now entered into Heaven to be with him for eternity!

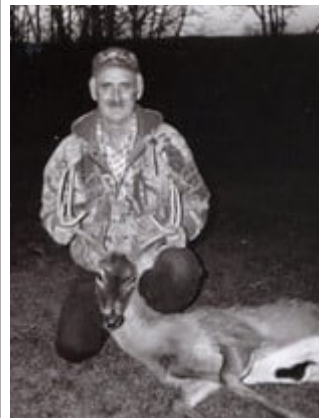

Norma was preceded in death by her parents, her oldest son, Carl Dean Gabbard; siblings, Doran Skelton (Ruby), Doris Cooper (Claude), Nola Cress, Ruby Shade, Harold Skelton (Rose), Bernice Dean, Hazel Parrish Bozeman, James Skelton (Mary), and Paul Gene Skelton (stillborn).

She is survived by son, Ron Avery Gabbard (Susan); grandchildren, Chad Gabbard, Cher Masters (Chris), Marcy Gebert (Brett), Jeff Gabbard (Al), Amy Francis (Doug) and Brian Gabbard (Brittney); great grandchildren, Connor Gabbard (Brittney), Colin Gabbard, Trista Gabbard, Henley Masters, Abby Masters, Breseis Gebert, Adeleigh Gebert, Tristan Gebert, Samuel Gebert, Lucy Gabbard, Henry Gabbard, Elvis Gabbard, Charlotte Francis, Piper Francis, Benaiah Francis, Kelcye Gabbard, Kyler Gabbard, Chayton Gabbard, and Jessamie Gabbard; numerous nieces and nephews.

Funeral services are 10:00 a.m. Tuesday, August 29th at Mission Blvd Baptist Church 2006 Mission Blvd in Fayetteville with brother Doug Francis officiating. Burial will follow at Mount Comfort Cemetery in Fayetteville. Arrangements are under the direction of Heritage Funeral Home (479)751-2444.

Leon Drummond

May 14, 1941 - October 22, 2023

He is survived by his wife, Willa Dean Osburn Drummond; one daughter, Sherry Mahan and her husband Brian of Elkins, Arkansas; four sons, Vernon Drummond and his wife Judy of Westville, Oklahoma, Michael Drummond and his wife Roalyn of Elkins, Stevie Drummond and his wife Dena of Elkins and Stanley Drummond and his wife Amy of Elkins; four sisters, Anita Osburn, Kathleen Hughes, Sue Bates, Judy Lawhorn; 31 grandchildren and 17 great grandchildren.

The Spiritual Pen

From The Voice Of One On The Top Of Brentwood Mountain!

The seal of God or the mark of the beast, the choice is yours.

What does it mean, why does it matter, and how do you get it?

In 1971 infamous cult leader Charles Manson was found guilty as the mastermind behind multiple murders in Los Angeles. At his sentencing, he showed up with a swastika tattooed between his eyes, what he called his "devil sign." To his death at age 83, Manson remained unrepentant of his crimes, bearing the mark of his allegiance on his forehead.

Most people know that the mark of the beast is something they must not get, even though many have no idea what the mark is. Some think it's a tattoo. A microchip implant, or something else out of the latest sic-fi film. Yet even fewer have heard of its counterpart the seal of God. Before the coming of Christ, every human will be identified with one of these two marks--- how and by whom we are marked will have direct implications on our eternal destiny.

The more you read about the Second coming of Christ in the Scripture, the more clearly you realize there will be only two kinds of people, at the end of time. When Jesus told a parable about "the end of the age" (Matthew 13:39), the two kinds were represented as "wheat" and "tares". In another parable, they are labeled "sheep" and "goats" (25:32). Every person will ultimately belong to one of these groups, entering through either the wide of the narrow gates. There is no neutral zone---no Switzerland.

In the last book in the Bible, this concept comes into sharp focus through the following angelic is warning:

And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his mark in his forehead, or in his hand,

The same shall drink of the wine of the wrath of God, Revelation 14:9,10.

There is more to come next month. This is FYI.
