Why I voted FOR the Winslow City Sales Tax

By Velma Duncan

Fact: No one like taxes, especially people like myself who are on a fixed income.

Fact: Winslow only receives 3 mills in property taxes. Please look at your property tax form from the County to see how little this generates for the City. Greenland School gets ¾ of taxes paid, ¼ is split between the county, road tax and the city.

Fact: There finally comes a time when the cost outweighs the income.

Fact: The best way to generate the money needed for the infrastructure of the City is through Sales Tax.

People who use our water pay no taxes to the City. People traveling through Winslow on Highway 71 will usually stop for gas and other necessities and will pay the tax, or they can go on to West Fork and pay more in Sales Tax.

The choice is yours to make if you want your streets paved when needed, the Library to remain, streets free of weeds, spring cleanup, and our water system just to name a few of the services you have been receiving.

Please help us with your YES vote on the Winslow City sales tax.

Thank you

Tidbits from the Hilltop

By Ann Tomlinson Malkie

IS IT SPRING YET? Sunday there were five beautiful deer on the property – finally. Long time since any have been around in daylight and in case you are wondering – no hunting allowed. Looking forward to start finishing up the flower bed that we started building last fall. Already have the flower bulbs ready for planting that butterflies and hummingbirds like. Now all I need is dirt and the energy to do it. It will be done, I am feeling positive. Hope you feel the same. Happy Spring to all.

Until next time. Ann

Winslow Arbor Day Celebration and Native Tree Seedlings Giveaway Saturday, March 7

In 2016, Winslow was awarded recognition as a Tree City USA. Every year since then, the City and volunteers have done projects to maintain this status, like planting trees in Peek's Park, Tunnel Park, the Winslow Ball Park, the Ball Park median near the highway, and at the new Dollar General Store. Also, volunteers have spent many Saturdays digging up kudzu.

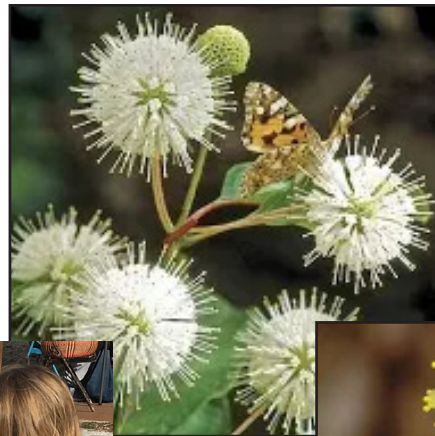

But one of the best efforts has been doing the Winslow Arbor Day Celebration and Native Tree Seedlings Giveaway!

This year, the event will be on Saturday, March 7th, starting at 9 am until they are gone across from City Hall outside the Train Pavilion. Seedlings of native trees and shrubs will be given out to folks from the greater Winslow area. They include: Button bush, Chinkapin Oak, Kentucky Coffee tree, Ohio Buckeye,

Redbud, River Birch, Spicebush, Sycamore, Washington Hawthorn, and possibly, Paw Paw.

At 10:30 am, Mayor Chuck Dwyer will deliver the 4th Annual Winslow Arbor Day Proclamation. Hot coffee, hot chocolate, and homemade baked goods from our Farmers' Market vendors will be available at the Mercantile across the street.

As in the past, tree expert Nate Weston of the Beaver Watershed Alliance will be there to discuss the importance of planting native plants and why they are far more beneficial for the insects, birds, and animals than are invasive species. Also, they tend to grow better here.

City of Winslow – Looking Forward – Construction 2020

We are anticipating having FEMA related funding this summer to make flood related repairs in the City. In preparation, the City would like interested local contractors and citizens with small businesses to turn in their business cards or letters of interest to City Hall or via email, so we can notify you when bidding opportunities are available. Expected projects are various sizes and are expected to include some of the following:

WINSLOW BALLPARK:	CITY HALL:	OTHER MAJORS*:
Repairing Tennis Court	Interior plaster repairs/	Installing a stump pump
Replacing Fencing	Miscellaneous Painting	Pipe line installation
Cement Repairs to Pavilion	Door Frame Replacement	City - wide ditch work
Replacing Gravel		Exterior rock work City
	<u>Hall</u>	
Repairs to Walking Bridge		Exterior rock work Rock
		<u>Building</u>
Others as identified	*May require contractor to be licensed the State of Arkansas.	

After months of meetings and working with FEMA, the documents will go to the State. The State make a decision and hopefully will be giving the City 75% of the total costs of the various projects. The City will then do what it can based on the funds and bids received.

If you have additional questions, please contact the City via email at Winslowcityhall@gmail.com Subject: Construction 2020. Thank you for your interest in making the City of Winslow YOUR HOME TOWN and a Wonder Place to Live.

The 30-Day Simplicity Challenge for the New Year

The following is PART III from the Simplicity Planner. Last month I covered the second five and here is the third group. The Simplicity Change is a 30-day challenge toward achieve a simpler, more joyful life. According to the planner, each task should take less than 15 minutes to complete. However, I thought it would be good to start with five each month, add another five to keep from being overwhelmed. I promised, some of these take more than 15 minutes – at least in my house and life. Good luck and have fun!

MARCH 2020

4. Dump out your purse. Throw away trash. Create a little bag of essentials. Make your bag work for you. (Lighten your load and save your shoulders)
5. Pull out all the formal dresses in your closet that you'll never wear again and donate to charity.

(Did you know that Goodwill on Hwy 71 in Fayetteville has a drive-thru drop off? When you have a bag full – put it in your vehicle and when in town, just stop at Goodwill and drop it off – I did it last week – really easy!)

"Jesus Himself... walked along with them."

THOSE DWELLING IN DARKNESS HAVE SEEN A GREAT LIGHT

Our world is shrouded by multi-dimensional darkness. People encounter it in many different ways...

1) There Is The Darkness of Ignorance. Many people grope blindly through life because they are ignorant of God and His will. Their own lives seem bleak and empty because they have never come to "the light of the knowledge of the glory of God." (2 Corinthians 4.6.) "Light shines in the darkness," (John 1.5.) but they do not see it, so they have missed all that is meaningful and worthwhile in life!

2) There Is The Darkness Of False Religion. Man's natural instinct to worship can be turned to darkened and damnable channels. Mislead by false teachers, many are stumbling through a darkened maze of spiritual error and confusion. "If the blind lead the blind," Jesus said, "both shall fall into the ditch." (Matthew 15.14.) The Bible speaks of religious error as "the slippery ways of darkness." (Jeremiah 23.12.)

3) There Is The Darkness Of Sin. Sin is always darkness! While it advertises itself with bright lights and glittering diversions, sin is, in reality, a cloying darkness of the soul. Jesus spoke of those who loved darkness rather than light because their deeds were evil! (John 3.19.) Those who live in the shadowed world of sin practice "unfruitful works of darkness." (Ephesians 5.11-12.) The darkness of sin deepens until it becomes the everlasting darkness of eternity without God!

4) There Is The Darkness Of Despair. Many lives are darkened by hopelessness, desperation, or fear. Living apart from God, many find themselves isolated and alone — unable to cope with the emptiness of their lives or the reality of their problems. They cry to one another for help in the darkness, but the only answer is the echo of their own despair.

In Jesus Christ, Light came into the world! Matthew describes the impact of Christ like this: "The people dwelling in darkness have seen a great light!" (Matthew 4.16.) Jesus Himself said, "I am the Light of the world... He that follows me shall not walk in darkness, but shall have the light of life." (John 8.1, 2.)

How tragic that so many are stumbling in darkness when they could be walking in light!
