Winslow Community Center News

Winslow Community Center Association Mission Statement:
“To provide and maintain a community center that benefits all the citizens of the greater Winslow, Arkansas area, with an emphasis on education, life skills, recreation and entertainment”

We're constantly working to improve/restore the facility for the benefit of you...the community. This past month we rehung the athletic banners in the gym. It was a true coming home experience that all those involved felt. The memories of all those athletic moments came alive again. Have to say that it's fun to look at the names hanging up there and to remember. We wish that the tradition of banners had started long ago as a way to recognize generations of athletes. A special thank you to Brian Wilson who climbed up and down that tall ladder 60 times to make the dream real.

Heads up! We have just finished installing top tier security cameras around the perimeter of the gym. Lots of them! We'll be able to identify the buttons on your shirt. Added to that is a super recording device plus board members can access the cameras from their homes. Thank you, Carroll Snyder for your hours of effort. The only way we know to stop the vandalism and theft is to continue to prosecute. We hate doing it, but.....

Oh, don't forget to contact Kerri to reserve a date for your family reunion. You know how hot it gets in the summer. Visit with your loved ones in the air conditioned cafeteria. Weekends are filling up. \$100 a day plus a \$100 cleaning deposit Please note- the gym is not air conditioned but we do have large fans and folks say they did just fine.

Thank you to those who offer financial support. Every little bit adds up. Thank you to those who faithfully send funds each month. You help us buy the paint, cleaning products, keep the lights on and so many things. Thank you to those who offer sweat equity. Please consider gathering a few friends, family members,

or church members and come help. Many hands make light work! Can we just pause right here and note how much we appreciate Rick and Marsha Reed? They have spent literally thousands of hours restoring our facility. They know where every wire goes, every pipe drains, and every crack in the sidewalk. They were there with flashlights at the very beginning. They've crawled in the top of the rafters and the lowest locker rooms. Together they have demonstrated their love for the Winslow School. We thank you and we honor your sacrifices for the community that you so obviously love. Please when you see them, offer your own thanks

More good news:

*March 30 @ 1:00- the community Easter festivities will continue at the WCCA. The former cafeteria will be open for families and friends to enjoy a potluck meal

*March 29-31- Gun show in the gym. Come eat lunch with us. Plus we serve hot just baked cookies every hour

*April 27th from 8:00 until we run out- during the community wide yard sale, we will be set up at the ball park stage field to sell yummilicious baked goods...homemade by several of the Winslow women. Yes, we'll have a coconut pie and well, just bring a sweet tooth

*May 4th- craft show

Winslow Library

Winslow Library will once start taking donations of books for the Used Book Store. However, we ask that books be clean and free of mold and mildew and fairly recent unless they are classics.

It's important to get Friends of the Library active again. Please leave your name and phone number with the librarian if you are interested. Meetings will try to be scheduled on Saturdays or for the convenience of the majority of the members. Please think hard and try to fit us into your calendar.

Part IV

Understanding the Marks

Did you catch what God wants in our hearts and minds? The Bible states over and over that it is God's law, the Ten Commandments, His Word. Yes God's seal is found in obeying His commandments in heart, mind, and action. The Lord says, "Seal the Law among my disciples" (Isaiah 8:16) "Your word have I hidden in my heart, that I might not sin against You" (Psalm 119:11).

How is keeping God's law a seal? A seal guarantees authenticity, an official stamp of approval. Seals have been used throughout history and are still used today. For instance, Great Britain updated its seal when King Charles III ascended the throne in 2022. Seals typically have three main components:

1. The name of the official
2. The official's title of authority
3. The official's territory

Such a seal was placed on the lion's den when Daniel was placed in it by King Darius of Medo-Persia (Daniel 6:17). A seal was also placed on Jesus' tomb in the name of Pontius Pilate, governor of Judea (Matthew 27:66). God's seal authenticates an individual as a citizen of His heavenly kingdom.

You might be surprised to learn that all three components of a seal are found in a single commandment—indeed, at the very heart of the Ten Commandments.

Next month Part V will reveal what commandment it is.

James "Brian" Keith Moore

April 4, 1986 until February 9, 2024

Born April 4th, 1986 and here with us until the 9th of February 2024, James "Brian" Keith Moore, a father, a son, a brother, a cousin, an uncle, and a loyal friend. Brian was many things to many people, but above all, he was a person who lived his life his own unique way.

We all share a profound sense of loss, but also a sense of gratitude for having been a part of his life. He was a person who felt deeply and loved fiercely, and while his life was tragically cut short, his impact on us was immeasurable.

Brian was a free spirit, a wanderer, someone who sought to squeeze every drop of adventure out of life. He lived his life on his own terms, and in doing so, he taught us the value of embracing the present moment.

We will all have different memories of Brian—

memories that make us smile, that make us cry, that make us thankful for the time we had with him. Let's cherish those memories, let's share them, and in doing so, let's keep Brian's spirit alive.

It's no secret that Brian faced an internal struggle, one that he battled privately and courageously. Brian had that other side, that side that's not openly talked about, that side he fought valiantly to keep hidden. He struggled with addiction, a battle that consumed him despite his best efforts to break free. It's a struggle that many don't understand, and one that is too often stigmatized. Addiction is a merciless enemy, one that doesn't discriminate based on age, background, or social status. It's a disease that Brian fought every day, and it's a disease that ultimately took him from us. This battle did not define him, though; it only reminded us all of the strength he possessed in facing his demons. Brian spent his days fighting, and that courage is something we should remember and admire. Brian was not his addiction, but Brian's passing is a vivid reminder of the power and hold addiction can have.

Let us define Brian by his heart, his spirit, and the love he brought into our lives. Brian had a magnetic personality; he drew people to him with his charisma, his wit, and his infectious smile. He was the life of the party, the adventurer, the joker, but he was also the most empathetic listener, the shoulder to cry on, the dependable friend. He was the person who would drop everything to be there for you, no matter the time or place.

One of Brian's most "Brianable" qualities was his ability to love unconditionally. He had an open heart and an open mind, welcoming people from all walks of life into his circle. He didn't judge; he understood that everyone has their own battles to fight, their own burdens to bear. Remember Brian for who he was—a beautiful soul who loved deeply, laughed loudly, and lived passionately.

May Brian find the peace he sought in life, in the depths of eternity.
We love you, Brian, always and forever.

Council Corner March 2024

By City Council Member Dan Dean

Your City Council began our February meeting by presenting recognition plaques to Mayor Randy Jarnagan and Recorder/Treasurer Ann Malkie in appreciation for their hard work and dedication to our community.

We then held a public meeting to discuss our application to the Arkansas Community and Economic Development Program (ACEDP)

for a Community Development Block Grant (CDBG). We hope to use these funds to purchase and install a secondary water tank that will help meet increased demand. This process includes implementing our Citizen Participation Plan and conducting a Community Needs Survey. Winslow residents are encouraged to contact City Hall or stop by and complete the survey. Thank you to those who have already completed it.

Recorder/Treasurer Malkie let us know that over \$8000 from the Arkansas Low-Income Household Water Assistance Program (LIH-WAP) was used to help pay water bills for Winslow residents last year.

You've probably noticed the John Boy's Snack Shack food truck across from the Winslow Welcome Rock on the slab where the grocery store used to be. Council member Jerry Kidder, who is an electrician, saved us thousands of dollars by volunteering to help install the electrical connection there.

Winslow has been a participant in the Tree City USA program sponsored by the Arbor Day Foundation for seven years. We'll host our Annual Arbor Day Celebration and tree giveaway on Saturday, March 2nd at 9am at the pavilion downtown. Come get two or three free native tree seedlings.

As always, visit WinslowAR.com for more information about our city. Everyone is invited to Saturday morning Coffee Klatch gatherings at City Hall and to the Saturday Farmers Market downtown from 8:30 to 11:30 (when the weather cooperates). Residents are also welcome to attend City Council meetings on third Mondays at 6pm either in person, or via Zoom.
