## Happy October!

October is a busy month at the Community Center!

Adult art/painting class is on Thursday, October 5th at 6:00pm. \$10 fee for supplies and class size is limited.

Our monthly volunteer workday is on October 7th from 9am until 1pm. This is a very important workday as we get ready for fall festival on October 14th. I hope to see lots of friends and neighbors showing up to lend a hand in decorating, cleaning and generally giving of themselves for the betterment of the community. As always, the lovely ladies from Home Extension are going to feed us. Thank them for their generous time and effort to fill the bellies of hardworking volunteers.

Our 2nd Annual Fall FUNdraising Festival is on Saturday, October 14th from noon until 6pm. There will be lots of activities, games and entertainment. Food, fun, music, hay rides, petting zoo, bouncy house and a return of the haunted locker room! It will be a terrific fall day for all our great community to get out and enjoy themselves with old friends and new friends alike. The fun will happen in the gymnasium and Cafetorium at the Winslow Community Center. Bring everyone!

While we're remembering to include our friends, if you encounter Ann Harbison out and about, give her a big hug and thank her for her generous gift to the Winslow Community Center. She'll get our gratitude every single time someone uses the amazing commercial stove and oven she purchased to replace the appliance that once occupied the kitchen. Thanks Ms. Harbison for all of your support to the Community Center.

And...speaking of kitchen...The Cooking Class is doing PIZZA and guess where they're baking? Yep. In that brand new oven if all goes well! Home extension cooking class takes place on October 19th in the kitchen!

Further, October brings our annual members meeting with the election of our board members. There are two board seats that must be filled at our October 28th annual members meeting. Remember, per the WCCA By-laws, you must be a paid member of the Winslow Community Center Association by October 21st to vote for the board member seats. A membership application is included in this issue of Within Winslow. Applications are also available in the WCCA office in the Rock Building. Membership is \$10.00 per person or \$25.00 per family annually.

Congratulations to all the recent martial arts students who "belted up". Special thanks again to the great folks from Chuan Fa for the classes and the life lessons. Winslow Community Center is better for our association with great organizations like Chuan Fa America Arkansas.

## FALL IN LOVE WITH FALL AT DEVIL'S DEN

OCTOBER 13TH – 14TH

Join us for a weekend of fun as we celebrate the colorful change of the seasons along with the 84rd anniversary of the park and its builders---the Civilian Conservation Corp. Step back into time and discover the kind of old time games the kids were playing while your park was being built.

Kids bring your animal costumes or you can create one Saturday afternoon for the Saturday evening walk for candy with Mother Nature.

Campers you can bring wrapped candy to hand out to the kids Saturday night on their walk around Area E and decorate your site to fit the season! If you wish to participate in handing out candy to the kids and aren't camping in Area E, you can park your car around the loops and hand out candy as the kids walk by. This is always a great fall activity for the whole family!

### FRIDAY, OCTOBER 13

Your costume can be worn later that evening as you walk with Mother Nature and collect Halloween candy in Area E. Meet at the tables on the side of the Visitor Center or inside the Audio-Visual room in case of rain.

**6:00 – 7:00 p.m. NIGHTTIME WALKABOUT WITH MOTHER NATURE** Join Mother Nature and come dressed as your favorite animal for an evening walk around Area E. ## A HEALTHY INVESTMENT

The most important investment you'll ever make is an investment in yourself. Successful, healthy people enhance mind and body through nutrition, exercise and a healthy attitude and life-style.

The vertebral subluxation (V.S.), even in the absence of pain, destroys a person's ability to function at 100%. V.S. has been named as 1 of the 3 major causes of disease and stress today, by such outstanding research scientists, as Dr. Ron Pero, geneticist and Director of Cancer Research, Preventative Medicine Institute in New York.

If you aren't invested in an intelligent, personalized and on-going health care program, which includes correction of V.S., one might wonder, "what's the point of all your other investments?"

See your chiropractic physician for a check up and...

## Ya Gotta Keep Laughing....

While I sat in the reception area of my doctor's office, a woman rolled an elderly man in a wheelchair into the room. As she went to the receptionist's desk, the man sat there alone and silent. Just as I was thinking I should make small talk with him, a little boy slipped off his mother's lap and walked over to the wheelchair. Placing his hand on the man's, he said, I know how you feel. My Mom makes me ride in the stroller too..'

\*\*\*\*\*

As I was nursing my baby, my cousin's six-year-old daughter, Kristy, came into the room. Never having seen anyone breast feed before, she was intrigued and full of all kinds of questions about what I was doing. After mulling over my answers, she remarked, 'My mom has some of those, but I don't think she knows how to use them..'

\*\*\*\*\*

Out bicycling one day with my eight-year-old Granddaughter, Carolyn, I got a little wistful. 'In ten years,' I said, 'you'll want to be with your friends and you won't go walking, biking, and swimming with me like you do now. Carolyn shrugged. 'In ten years you'll be too old to do all those things anyway.'

\*\*\*\*\*

Working as a pediatric nurse, I had the difficult assignment of giving immunization shots to children.....One day, I entered the examining room to give four-year-old Lizzie her needle. 'No, no, no!' she screamed. 'Lizzie,' scolded her mother, 'that's not polite behavior.' With that, the girl yelled even louder, 'No, thank you! No, thank you!'

\*\*\*\*\*

On the way back from a Cub Scout meeting, my grandson innocently said to my son, 'Dad, I know babies come from mommies' tummies, but how do they get there in the first place?' After my son hemmed and hawed awhile, my grandson finally spoke up in disgust, 'You don't have to make up something, Dad. It's okay if you don't know the answer.'

### YOU THINK ABOUT THAT

By Wesley Wood  
479-466-0681  
wesretired@cox.net

#### THE CHURCH IS RESPONSIBLE

This is going to be a short read. Please take 5 minutes of your time and to go to: [https://www.youtube.com/results?search\\_query=paul+harvey+if+i+were+the+devil+original+1965](https://www.youtube.com/results?search_query=paul+harvey+if+i+were+the+devil+original+1965) and watch this video by Paul Harvey in 1965 and compare with today. The easiest way; is go to youtube and type Paul Harvey in the search. If that video doesn't upset you to the point that you will start doing whatever you can to get the Church to be an effective force to change the Morals of this nation then you need to change your belief and mind set because your final destination is certainly Hell and Damnation.

Yes, the Church Is Responsible. *Rev. 3:15-16* I know thy works, that thou art neither cold nor hot: I would thou wert cold or hot. So then because thou art lukewarm, and neither cold nor hot, I will spue thee out of my mouth. Do you think God is tolerant?

*Psalm 9:17* the wicked shall be turned into hell, and all the nations that forget God. There will be a Judgment day and you will be there to answer for "Your" own personal actions.

I'm Wesley Wood, YOU THINK ABOUT THAT! Checkout my new website [www.godslastcall.net](http://www.godslastcall.net) Click the links at the top and watch the videos. "I Survived A Late Term Abortion" a must see. Get the book "The Great Evangelical Disaster" by Francis A. Schaeffer written in 1984. Every Church member and professing believer need to read this book. You can get it on Amazon, hard copy or kindle. I challenge you to compare it to my video on youtube. "GOD'S LAST CALL TO THE CHURCH OF THE UNITED STATES OF AMERICA"

I'm going to continue next month on this thought with the Churches being deceived by Donald Trump! Don't miss it! Do your homework. Watch the video! If you don't have access, go see someone who does.

#### THE SUMMER IS ENDED

*"The harvest is past, the summer is ended, and we are not saved..."* (*Jeremiah 8.20.*) These were the words of Jeremiah to the people of Judah in a time of crisis. The nation's disregard of God and His word had brought them to the edge of oblivion. On the horizon, the Babylonian war machine was set for a savage thrust against Jerusalem. Yet the people refused to turn to God. They still hoped against hope that deliverance would come from elsewhere. The summer months dragged slowly by and no deliverer appeared. Poignantly, Jeremiah dramatized the desperate hopelessness of their situation: *"...summer is ended and we are not saved..."*

What words could be more fitting for us? The words of Jeremiah seem urgently appropriate to our own situation:

1) **Summer Is Over.** Another season has come and gone, reminding us how brief life really is! The Bible compares it to a fleeting cloud (*Job 7.9*), a fading flower, (*Job 14.2*), or a flickering candle. (*Job 18.6.*) James compares life to *"a vapor that appears for a little while and then vanishes away."* (*James 4.14*). Given the fragile nature of life, it is crucially important that we use the time we have to make ready for eternity!

2) **Summer May Be Over For Us Nationally.** America has made the same basic mistake as the people of Jeremiah's day. We have sought deliverance where there was none... We have vainly looked for Science to usher in a millennium; or Education to eradicate poverty and crime; or hoped that Medicine would eliminate disease, guilt and fear. But our hoped-for saviors have failed us. Thoughtful people are alarmed at the precipitous decline of our national condition. Our culture seems driven toward dissolution and chaos. We have forgotten that, *"Righteousness exalts a nation, But sin is a reproach to any people."* (*Proverbs 14.34*).

3) **Summer May Be Over For You Spiritually.** It may be you have squandered opportunities without giving serious thought to the needs of your soul. You may have long promised yourself that you will commit your life to God and begin living for Him! But the golden days of opportunity are slipping away and still many are not saved! Good intentions are not enough! God demands obedience! (*Hebrews 5.8-9.*)
