## WINSLOW CHRISTMAS EVENT

I can hear everyone groan when I mention Christmas, but we want to make it a fun event in Winslow on December 6th and December 13th. There will be a Bazaar on both Saturdays at the Library; anyone can set up a booth with no booth fee.

Current plans are to have an activity for the children to make a gift for their parents at no cost to the children, a Santa house at the Library, Santa may even be there on the 6th to take lists from the children, a live nativity scene downtown in the pavilion with volunteers from various organizations and churches singing carols, or a sing-a-long of carols, the Friends of the Library will again hold the annual Pot of Gold Drawing and serve Chili, the city will conduct the annual parade and House lighting Contest, and perhaps there will be some other things which haven't been thought of yet.

We are asking the entire community and all the community organizations to PLEASE get involved in this. We need volunteers, either individuals, a church or an organization to handle various parts of the event.

There will be an organizational meeting at the Library at 7:00 Monday, October 13th to begin organizing the event. Please make plans to attend, or send a representative if you are a church or organization.

## FALL FESTIVAL

This is October and everyone knows it's the month of ghosts, goblins, and the Fall Festival. We are going to cheat a little bit and hold the Fall Festival on Saturday, November 1, this year. WE are trying NOT to compete with the schools, who usually have their festivities on Friday night. We just want to offer the Winslow children a chance to enjoy the activities on their own home ground. There will be a costume contest, BINGO, other booths to compete for prizes, possibly even a haunted room and the all time BIG favorite, a Cake Walk. The Festival will run from 2:00 to 4:00. If you can bake a cake or want to offer your help for the event, please call Jo Ann Kyle at 634-3105 (or 634-5405 daytime on Tue, Thurs, or Sat morn). We look forward to seeing You!

## OPEN HOUSE

The Greenland EAST Lab will have an open house on Tuesday, October 21, and we want to invite people from Winslow.

## Boston Mountain Fire Department News

As everyone that passes by Station 2 on Highway 71 North across from the ballpark, you may have noticed an addition to this building. Our department has built a larger and more modern kitchen. The Boston Mountain Firefighters would like to invite everyone to come see the addition and to enjoy a Fish and Chicken dinner on October 11. This is the annual Fish Fry and Auction Fund Raiser. The Department needs your support. Come and let us meet you and you to meet us.

If an item needs to be picked up, give Ruth a call at 634-2027. You may need to leave a message or call back. Ruth will return you call.

Auction items are also needed. New or good condition used items would be appreciated. These items can be brought to the fire station, call any firefighter or Ruth if needed to be picked up.

## Winslow 4-H Club News

The Winslow 4-H Club closed out the year with the end of the year dinner and awards on September 19th. Each active member received a participation ribbon and a pin scarf for all their 4-H patches and pins. Our officers received their club officer pins and two members, Jacob Hill and Tiffany Romine, were awarded with a perfect attendance pin and ribbon. The adults that helped throughout the year were honored with a plant and certificate. The fire department was given a framed certificate of recognition. 6 new members were given a Welcome certificate and "I Just Joined 4-H" pin. We all enjoyed a great potluck meal.

Our new year is starting with the next meeting on October 8 directly after school at the fire station. We will elect our new officers and complete enrollments. We are having a Pancake breakfast fundraiser on October 18th. All proceeds will help buy the project books and craft supplies for club projects. Join us for a great breakfast and good fellowship and thank you for your support.

For information about the Winslow 4-H club call Nancy at 479-841-7148 or the Washington County Extension office at 479-444-1755.

## WINSLOW LIBRARY STORY TIME

Story Time has been moved from the Winslow Library to the Boston Mountain Fire Station on Thursday morning at 10:30. This session is based on Our Town. Ms Sherry Rodgers is a wonderful Story-Lady. She would love to see you all come visit her.

Hello Winslow.

Someone asked the Friends of the Library, "What do you do with all the money you collect from your fund raisers?"

- One of our **biggest** and most important projects to the community is the monthly Within Winslow Newsletter. The Friends of the Winslow Library pays all the expenses that are not covered by the advertising in Within Winslow.
- Friends of the Library are responsible for 98% of all the DVD's in the Library. The Winslow public is able to check out DVD's without having to pay a rental fee.
- Friends of the Library pay for the Internet Access for all the computers in the Internet Cafe. This enables anyone to come into the Internet Cafe and use the computers to go online.
- Friends of the Library pays for the paper and many of the office and cleaning supplies used.
- Friends of the Library has also paid for several books that are now in the Library (especially several kids books).
- Friends of the Library also provide all the candy and sodas for a very small profit.
- We need your help to provide all this and more to the Community of Winslow.

One of the ways we generate this money is to stock and sell books in the Bookstore. Right now the Bookstore is in desperate need of newer paperback fiction and romance. If you have any books you can donate ... Please bring them to the Library.

We will also be having our monthly Bake Sale, Saturday, October 4th. Please come and purchase some "home made" goodies. If you have an opportunity to make something to donate.. please bring it by 9 AM.

We also need people in the community to help us work the Bookstore and Internet Cafe. If you have a few hours you can donate please contact JoAnn @ the library.

We have our monthly Friends of the Library meeting the first Tuesday of the month. Please come in and join us at the Library, Tuesday, October 7 @ 7 PM.

Thank you for all your interest and support.

# Ike - The Big Storm

By Ginger Fritch

The remnants of Ike tore up a few trees and left most of us without electricity for a day or two but nothing like the devastation along the Gulf Coast and a couple hundreds miles inland

A large tree is down in the lower yard of the First Baptist Church parsonage, no damage to the house. A big tree

fell between the fence and the swings in the old school playground. Couldn't see any real damage.

Over on Center Street some trees were across the power lines and blocked the street. There was more damage out on Sunset Rd, and many

many trees down in the rural areas, one person reported 34 trees down on his property, but all in all, we're very lucky to live where we do.

### Still mad!

I am not really enthused about revealing my age but during the year or two leading up to my 21st birthday, my country was engaged in war with Vietnam. The draft was in effect and I received my draft notice when I was 20 years old. It was no surprise as I had been expecting it since I was in my teens and able to understand what the draft was, but I had a problem with being old enough to be drafted in the army and fight for my country.

It was against the law for me to buy a drink in my country! I was obviously considered old enough to die for my country. They were about to shove a rifle in my hands and I could kill or be killed but I wasn't responsible enough to have a drink in my country? The people who instituted that law should have hidden their heads in shame, and so should the ones who are supporting it now.

There is currently a movement to lower the drinking age and those in opposition are surely arguing that the draft isn't in effect anymore, but it is ridiculous to think it never will be again. Our current president has almost been forced to reinforce the draft, but he somehow held to a promise he made during his campaign. I have heard no such promises from McCain or Obama.

Whatever the minimum age is to be a member of the armed forces and kill people, including those who also didn't want war, should be the legal age to buy liquor. The number of US troops who have died without ever being considered responsible enough to legally own anything or buy a drink probably can't be counted. And how many have died in Afghanistan and Iraq that were under the age of 21? Most of them?

The right thing to do is lower the legal age to purchase liquor, or at least make 18 the legal age to buy beer, while the issue is in focus, and the opportunity is at hand, or make it an issue to raise the legal age to participate in the armed services. We all know better than that. Uncle Sam may lower the age to join the military but it will never be raised to 21.

It happens too often that people develop deaf ears, or change their opinion about age limits after they turn 21. The guys I was associated with were mad at the time about being drafted and not old enough to legally drink.

**And guess what?  
I'm still mad about it!**

I'm pleased to say that my book *Fly With The Mourning Dove* is a finalist in the creative nonfiction category of the annual WILLA awards. I will be there to receive the honors connected to this literary award. Needless to say, I'm ecstatic over the win in this very prestigious award. Each category has three winners, one top and two finalists. It's quite an honor.

I'll also speak on two panels while out there. Another first for me with this organization. We had a wonderful time at the Ozarks Writers Live at the Fayetteville Public Library last month. Writers, writers everywhere. It was a wonderful day.

Keep up with what I'm doing at my three blogs: for writers; about lawmen and outlaws of Arkansas; A journal of my thoughts and deeds. Hope it doesn't get naughty. # WEST FORK NEWS

# Classes at West Fork Library

**Rosilee Mugley 839-2534**

Hello everyone:

Wow! What has happened to September? We were so anxiously waiting for WestFest and now it's over. Our church did quite well with the spaghetti supper on Friday evening and our food and craft sale on Saturday. Next year, we plan to serve sausage gravy and hot biscuits for Saturday morning. The parade was longer this year. There were floats by the Pentecostal church, Presbyterian Church, Girl Scouts, Veterans, Woolsey 4-H, some political candidates, and many others. We'd planned to listen to the gospel singing on Sunday afternoon but as we got there, the skies opened up and poured huge sheets of rain! I imagine WinFest was also rained out.

The Presbyterian "Country Store" will be held on Saturday, October 11th, 8:00 a.m. till 1:30 p.m. with most clothing \$1.00 a bag. We also serve sausage gravy/biscuits; sloppy Joes; and have an assortment of homemade pies and breads for sale.

Our church delivered a pickup bed full of food to the West Fork elementary school to go into the backpacks. We're planning another food drive in a couple of months.

On Saturday, October 25, the Presbyterian Church will hold their annual hay ride and fall festival with hamburgers, hot dogs and all the trimmings. If you would like more information, please give me a call.

Next week, a couple of our church members will be delivering personal hygiene items, baby socks, and food to the Ronald McDonald House in Tulsa in memory of my granddaughter, Elizabeth Rose Mugley. The Presbyterian Women also sends a check for lodging to help defray expenses for someone in need. When Elizabeth was born six years ago, Ronald McDonald was a great blessing to our whole family. We were there three weeks when Elizabeth passed away. This is our way of trying to help others who are in the same situation we were.

Some birthdays being celebrated in October include Renée Reed, my granddaughter Becca, who will be 17 years old; Chris Seratt; Wendy Ingram; Mildred Earp; and a dear friend, Nell Ray who's turning 88 years young!

Anniversary blessings in October to Art and Cathy Hughes and to Chet and Vonnie Hill.

Until next time: "Lord, give us grace to trust You when Life's burdens seem too much to bear; dispel the darkness with new hope and help us rise above despair."

Juan Butler will begin teaching Tai Chi at the Library on Saturday mornings at 9:30 a.m. starting October 4th. It is free, open to all ages, and requires no prior experience or training. Sessions will last less than an hour, and people with limited mobility can participate from a chair if standing is strenuous.

Jane Foster will begin teaching knitting Tuesday afternoons beginning October 14th from 4 to 5 p.m. This time we are asking you to bring your own yarn and knitting needles. Size 8 is best and smaller ones can be purchased for kids. The class is open to all ages. Please call the library if you would like for us to sign you up for knitting.

# STONESIFER REUNION

By JoAnne Ferguson

Recently the grandchildren, great grandchildren and grand nieces of Lee and Roia Stonesifer got together for a "mini-reunion". The Stonesifer's were old time residents of Winslow since the 1920's and 30's.

The reunion was held in Oklahoma City where two grand nieces reside, Joyce Owen and Mildred Inez Hudson. They are the daughters of Lucille Hutchens Nickell. She was the niece of Lee Stonesifer, child of his half sister Bessie Trueblood.

Attending from Conway was Carol Stonesifer Roth, daughter of Leroy Stonesifer, and granddaughter of Lee and Roia. And from California, JoAnne Stonesifer Ferguson, also granddaughter of Lee and Roia and daughter of Mildred Stonesifer Brunzo. Several family members from Winslow also were there. They were Karen Smith Ridenoure, great-granddaughter of Lee and Roia Stonesifer, granddaughter of Paul and Anna Stonesifer and daughter of Midge Stonesifer Smith. Also, 3 daughters of Hazel and Hugh Smith. They were Leta Smith Maguire and Loretta Smith of Winslow and their sister Gay Smith Harp of Springdale. And Barbara Smith Griffith, cousin to the Smith sisters and daughter of Ruby and Dee Smith. The Smith "girls" are great nieces of Lee Stonesifer as their mothers Hazel Smith and her sister Ruby Smith were daughters of Bessie Trueblood also.

Missing from the group was Marcia Cooley, daughter of Hazel and Hugh Smith and Edward Smith, son of Ruby and Dee Smith as well as two daughters of Paul and Anna Stonesifer, Paula Stonesifer Provence of Winslow and Brenda Stonesifer Foster of Springdale. Also, Dr. Larry Stonesifer of Seattle, Washington, grandson of Lee and Roia Stonesifer and son of Leroy Stonesifer.

It was a special weekend, visiting, sharing pictures and reminiscing about old times. A highlight of the week was the celebration of the 54th wedding anniversary of Joyce and Tully Owen. Another get together is planned in the near future, hopefully this time in Winslow where the entire family can get together again.

# A True Redneck

this isn't your typical redneck joke. Please Read

Sent in by Larry Smith

We have enjoyed the redneck jokes for years. It's time to take a reflective look at the core beliefs of a culture that values home, family, country and God. If I had to stand before a dozen terrorists who threaten my life, I'd choose a half dozen or so rednecks to back me up. Tire irons, squirrel guns and grit -- that's what rednecks are made of. I hope I am one of those. If you feel the same, pass this on to your redneck friends. Ya'll know who ya' are.

You might be a redneck if:  
It never occurred to you to be offended by the phrase, 'One nation, under God.'

You might be a redneck if:  
You've never protested about seeing the 10 Commandments posted in public places.

You might be a redneck if:  
You still say "Christmas" instead of "Winter Festival."

You might be a redneck if:  
You bow your head when someone prays.

You might be a redneck if:  
You stand and place your hand over your heart when they play the National Anthem.

You might be a redneck if:  
You treat our armed forces veterans with great respect, and always have.

You might be a redneck if:  
You've never burned an American flag, nor intend to.

You might be a redneck if:  
You know what you believe and you aren't afraid to say so, no matter who is listening.

You might be a redneck if:  
You respect your elders and raised your kids to do the same.

You might be a redneck if:  
You'd give your last dollar to a friend.

I believe that you, like me, have just enough Red Neck in you to have the same beliefs as those talked about in this email.

## Words from Wee Little Pirates

Gaylyn Willyard

### What is a Tasseled Wobbegong?

So, what is it? I asked that question of the Greenland Elementary School students and staff, here are the responses.

#### Kindergarten

"I have no idea!"  
"Sounds like a monster!"  
"A dance"

#### First and Second Graders

Brittney-"Something wobbly and gone."  
Alex-"A castle."  
Olivia, Makayla and Grace all decided that it was a tadpole.  
Austin-"A tower."  
Carter-"Nothing, it is a trick question."  
Kendall-"I don't know, what are you doing asking a question like that? Maybe it is a rabbit."  
James-"A fox with three tails."

#### Third and Fourth Graders

Brandon-"A shape."  
Charity-"A newly discovered animal."  
Christine-"Maybe it's a curse." (Yeah, doesn't sound like anything too good.)  
Alexandra-"A tree."

Ms. Jamie thought it might be the wattles of a rare or exotic Turkey.

While Mrs. Baker said that it sounded like a very sneaky animal from Australia.

Ms. Street believed it might be a rare bird.

Ms. Neilson wondered if it could be a musical instrument.

The answer...

### A shark.

But not just any shark! The Tasseled Wobbegong is a mas-

ter of disguise. It dwells on the bottom of the ocean in rocky areas and coral reefs. It is a nocturnal ambush hunter usually reaching 4 feet in length.

While lying in the same area perfectly still and flat for hours at a time they wait for fish or other bottom dwelling creatures to come along and then attack at the right moment.

They have a beard around their flat broad heads that look like part of a coral (tassels), thus perpetuating the camouflage effect and tricking their dinner.

They live in Indonesia, Northern Australia, Western South Pacific and Papua New Guinea. Get on the internet and check one of these cool creatures out.

No computer you say, no problem, stop by the local Internet Café!

## Elementary News

### Deeres and Does

Top row: Peyton Anderson, Kendall Barton, Hayden Stout, Caleb White  
Bottom Row: Bianca Ledgerwood, Aubrey Campos, Campbell Hill, Ellison Hill

Bianca Ledgerwood, grand daughter of Gary Joe and Lorene Clark and great grand daughter of Fleeta Clark, has joined forces with some fellow Pirates to show case her Square Dancing talent.

The team's name is the Deere and Does and they have performed at the Clothesline Fair in Prairie Grove and at the Pioneer Days in St. Paul, with more events pending.

Cute? Well of course but tough too. They have been practicing all summer in the blistering heat without complaint. When not square dancing you can find them playing basketball and soccer as well. Caleb White, Kendall Barton,

Bianca Ledgerwood and Hayden Stout are all members of the Little Pirates Basketball program while Ellison Hill, Campbell Hill and Aubrey Campos each play soccer.

The team would not be complete without the help of their team caller Sonya Tomlinson who has been an extremely critical part of the team and greatly appreciated.

Their next scheduled event will be one of the upcoming fundraisers when the Little Ol' Opry comes to play at the Greenland Elementary. The event was postponed due to Hurricane Ike and is pending currently. For more information look up [www.greenlandsos.com](http://www.greenlandsos.com)

## GES FUNDRAISING

The Elementary PTO will be wrapping up their World's Finest Chocolate Bar fundraiser on October 10th. It has proven to be very successful. Mrs. Ridenoure would like to thank all those who have participated both by selling and buying!

The PTO would also like to thank those families who have donated money for the fundraiser as well! Everyone working together makes the difference!

Remember the bars sell for \$1.00 and they are YUMMY! Proceeds go to help the Elementary with Field Trips, Family Read Night, Math Night, snacks during testing and much more. As well a portion will go to the S.O.S. program. Every little bit helps!

Also Anyone interested in fun School Spirit decorated clothes for their children should contact Melissa King on the Greenland SOS website. She has fun, "school spirit" clothes with proceeds going to the SOS program. Click on "donation information". [www.greenlandsos.com](http://www.greenlandsos.com)

## Pirate Football Schedule

First a clarification!

Back in the day (WAY, WAY back in the 1980's, heh, heh), Winslow had two teams. Junior High and Senior High, given that we had enough boys to be able to participate. Well, the times have changed!

In my last article I mentioned Junior Varsity and Senior Varsity teams. Here is the way we play now for those who, like myself, are getting the fantastic opportunity to watch High School sports for the first time in years!

We now have the Senior High Team and a Junior Varsity of that same team. Senior High includes all 10th graders through 12th graders, while the Junior Varsity team is comprised of just the 10th and 11th graders. This team usually plays on Thursday nights at 7:00 P.M.

The Senior High team always plays Friday nights at 7:00 P.M.

Then there is the Junior High team which is 7th through 9th graders. HOWEVER, they also have a Junior Varsity team, (keep up here it gets tricky!) that Junior Varsity team is made up of mostly 8th graders but 7th graders can and do play also.

Now there is also a 7th grade team. They play mostly on Monday nights and do not have as many games in the regular season. These 7th grade players will suit up for the Junior High games and play occasionally in those Thursday games. FOOOOF! Did ya get all that? If not have no fear, I am still getting it all myself.

The long and short of it all, MORE FOOTBALL FOR EVERYONE! Now given the above information here is the Football schedule, Good Luck.

## Senior High

Oct. 3	Mansfield	Away 7:00
Oct. 10	Mountainburg	Home 7:00
Oct. 17	Charleston	Away 7:00
Oct. 24	Lavaca	Away 7:00

- Carol Caudle
- Richard Price
- Ken Northrop
- Joyce Burris
- Bill Perkins

The \$500.00 winner was Joe Thomas.

Winslow Community Meals thanks everyone that participated. You're Wonderful!

The Senior High Pirates have not lost a game as of the time of this article. Way to go Senior High!

## Cass' Canine Rescue

The Animal Rescue Site \$100,000 Shelter Challenge is brought to you by Petfinder

The Animal Rescue Site is awarding \$100,000 in grants to eligible Petfinder member rescue organizations. The grand prize is a \$25,000 grant. Just imagine how many animals we could help for \$25,000!

The rescue organizations with the most votes will win. You can click to help animals at [www.theanimalrescuesite.com](http://www.theanimalrescuesite.com), and then vote for your favorite participating shelter. Clicking and voting are free, with no registration required. You can vote once every day during the Challenge, which starts on September 29th.

I am asking you to please vote for Cass' Canine Rescue in the Petfinder/Animal Rescue Sites contest. We have the opportunity to win money that would be a great help to us. The cost of food, meds, gas for transportation and the nearing winter expenses have risen. We have found homes for many of our orphans, but there are still nearly 50 needing help. Winning one of these grants would be so helpful. All it takes is a vote (each day would be great) and does not cost you at all. Please help us continue our good work.

Thank you. Patty, Cass's Canine Rescue, Mountainburg, Arkansas.

# Heritage Day

By Ginger Fritch

September 20th was a very busy day at Ozark Folkways. So many different craftsmen were both demonstrating and selling their crafts.

Outside there was had hooked rugs, Freda Miller and her baskets, Bill Shaddor from Ozark Mountain Alpaca's and nationally famous Randy Gibson with some of his oak baskets.

Inside activities included the quilt raffle won by ????. Lots of handmade items for sale, the quilters working on still another quilt and the spinners,

knitters and tatters all working like bees in the gallery. There was also Chicken and dumplings whipped up by the very capable hands of Fleeta Clark. BBQ sandwiches were also available to appease the appetite.

Hope you had the opportunity to enjoy the festivities.

## A Transportation Alternative

### LogistiCare – Medicaid Mileage Reimbursement

This is an option if you take a friend or loved one to the doctor. For so many of us this is a part time job. This program helps quite a bit, “32 cents a mile.”

There are sign up forms and trip logs available at the Winslow Library and City Hall. Yes, you jump through a few hoops but soon get the hang of it. And they figure the mileage, say 56 miles to the doctor and back, at 32 cents, if my math is correct they contribute \$17.92 toward the trip.

It is less expense for Medicaid to pay a friend or family member to give the recipient a ride to the doctor than to pay a Medicaid Bus to come out to Winslow and transport the individual.

## FREE PASSES FOR OZARK REGIONAL TRANSIT

You may have seen the Ozark Regional Transit bus slip through town on Mondays. To introduce you to the new service Jim McCulloch of ORT is giving Winslow folks day passes to let them ride their first time to Fayetteville, make one stop to shop, and return to Winslow FREE! The bus will pick you up at your door at 8:30 and return you about 1:30. Or you can meet it downtown.

**What a deal!** At the price of gas, you can try this alternative to driving. Just make your reservations Monday – Friday 8:30am to 3:00 pm, but please, if you can't make it, call by 3:00 pm the day before your reservation and let them know. These people are trying to do us a favor. **No shows help no body.**

For reservations, call 1-800-865-5901 or 1-479-756-5901, ext. 2. Tell them this is your first trip with ORT and they'll walk you through the steps. They'll take you to Wal-Mart, IGA, Ozark Natural Foods, Dr's. Office, or nearly anywhere you need to go. You may even want to gather a few friends and all of you just go out to brunch.

Pick up day passes at City Hall. They are a \$5.00 value. Alternative Transportation has arrived. Get on Board and make it a carefree trip for you and worth the while for ORT.

## Maybe We Need More Bears In Arkansas

This article was in the Arkansas Democrat Gazette:

Danny Perkins, the sheriff for Garfield County, Utah, said that a large black bear raided a clandestine marijuana-growing operation so often that it chased away the grower, who abandoned 888 young plants and added, "If I can find this bear, I'm going to deputize him."

## Two Kinds of People

Author Unknown

There are two kinds of people on earth today.  
Just two kinds of people, that's all I say.

Not the good and the bad, for 'tis well understood  
That the good are half bad and the bad are half good

Not the rich and the poor, for to know a man's wealth  
You must know the state of his conscience and health.

No the two kinds of people on earth I mean  
Are the people that lift, and the people that lean.

In which class are you? Are you easing the load?  
Of overworked lifters who toil down the road?

Or are you a leaner who others bear  
Your portion of service and labor and care?

## The Pastor's Pen

### *The One Flaw In Women*

*By the time the Lord made woman,  
He was into his sixth day of working overtime.  
An angel appeared and said,  
"Why are you spending so much time on this one?"  
And the Lord answered, "Have you seen my spec sheet on her?  
She has to be completely washable, but not plastic,  
have over 200 movable parts, all replaceable  
and able to run on diet coke and leftovers,  
have a lap that can hold four children at one time,  
have a kiss that can cure anything from a scraped knee to a broken heart  
-and she will do everything  
with only two hands."*

*The angel was astounded at the requirements.  
"Only two hands!? No way!  
And that's just on the standard model?  
That's too much work for one day.  
Wait until tomorrow to finish."*

*"But I won't," the Lord protested.  
"I am so close to finishing this creation that is so close to my own heart.  
She already heals herself when she is sick  
AND can work 18 hour days."*

*The angel moved closer and touched the woman.  
"But you have made her so soft, Lord."  
"She is soft," the Lord agreed,  
"but I have also made her tough.  
You have no idea what she can endure or accomplish."*

*"Will she be able to think?", asked the angel.  
The Lord replied,  
"Not only will she be able to think,  
she will be able to reason and negotiate."*

*The angel then noticed something,  
and reaching out, touched the woman's cheek,  
"Oops, it looks like you have a leak in this model.  
I told you that you were trying to put too much into this one."*

*"That's not a leak,"  
the Lord corrected,  
"that's a tear!"  
"What's the tear for?" the angel asked.*

*The Lord said, "The tear is her way of expressing her joy,  
her sorrow, her pain, her disappointment, her love,  
her loneliness, her grief and her pride."*

*The angel was impressed.  
"You are a genius, Lord.  
You thought of everything!  
Woman is truly amazing."*

*And she is!  
Women have strengths that amaze men.  
They bear hardships and they carry burdens,  
but they hold happiness,  
love and joy.  
They smile when they want to scream.  
They sing when they want to cry.  
They cry when they are happy  
and laugh when they are nervous.  
They fight for what they believe in.  
They stand up to injustice.  
They don't take "no" for an answer  
when they believe there is a better solution.  
They go without so their family can have.  
They go to the doctor with a frightened friend.  
They love unconditionally.  
They cry when their children excel  
and cheer when their friends get awards.  
They are happy when they hear about  
a birth or a wedding.  
Their hearts break when a friend dies.  
They grieve at the loss of a family member,  
yet they are strong when they think there is no strength left.  
They know that a hug and a kiss  
can heal a broken heart.  
Women come in all shapes, sizes and colors.  
They'll drive, fly, walk, run or e-mail you  
to show how much they care about you.  
The heart of a woman is what makes the world keep turning.  
They bring joy, hope and love.  
They have compassion and ideals.  
They give moral support to their family and friends.  
Women have vital things to say and everything to give*

*HOWEVER, IF THERE IS ONE TINY FLAW IN WOMEN,*

*IT IS THAT THEY FORGET THEIR WORTH.  
PLEASE pass this along to your women friends and relatives  
to remind them just how amazing they are.*
