She graduated the top of her class! She chose to wait for school to complete her first priority in life, raising all her kids.

## James Romine

August 6, 1947 until June 18, 2022

James Romine of Mountainburg has passed Saturday, June 18, 2022 at the age of 74. In his last few days, he was surrounded by family. His children, grandchildren, and his wife Cathy gathered at his bedside to bid their final farewells.

Born on August 6, 1947 in Dallas, Texas the son of Lonnie and Pauline Romine, James was the American dream having been a son, a soldier, a businessman, a husband, a father, and a pillar of his community, respected for his generosity and selflessness by all that had the pleasure and privilege of knowing him.

During the Vietnam War, James answered his countries call to serve, voluntarily enlisting. He took pride in his service and was honored to have performed his duty.

He had an unmatched work ethic and drive. After moving from Texas to Northwest Arkansas many years ago, he worked tirelessly in the grocery business at IGA and Piggly Wiggly until he saved enough money to open Winslow Grocery. Starting as a converted Laundromat, he eventually expanded what was a small mom and pop store to a full-service grocery store. It was a key point of commerce and the community gathering place until the store was lost to a fire after 18 years.

Not one to be defeated by tragedy, James created a new opportunity by relocating to Mountainburg where he opened a full-service garage until he eventually settled into retirement. Not one to ever sit still, he continued building projects and improving the family home to satisfy his love of working with his hands.

Throughout his life, James was a consummate volunteer. He gave of himself and his time for the local church, Winslow school and assumed the dangers inherent in being both a firefighter and emergency medical technician for the Boston Mountain Fire Department. When his community called, he answered.

James' greatest achievement was that of a loving father and husband. His family came foremost. He diligently cared for his own mother and father until their passing. He loved his children unconditionally no matter their accomplishments or foibles. Most important to him was his wife, Cathy. Inseparable for 52 years, she was the one person he adored the most.

James is survived by: his wife of 52 years Cathy Romine; his daughter

## Climate Change

by Jamie Ridenoure

Hello all! Happy Summer.

We've all heard about the water crisis that we all will face in our near future. In fact the crisis is already here. Arkansas relies heavily on the Alluvial Aquifer. This aquifer is the source for 95% of the groundwater used in Arkansas. Arkansas has a rich supply of surface water in rivers, creeks, and lakes, but there is a growing concern from the Arkansas National Resource Commission. Only 44.2% of withdrawal, 7.6 billion gallons per day are sustaining from the Alluvial Aquifer. Which spreads from Ashley county in southeast Arkansas to Clay county in northwest Arkansas. As with our aquifers, we use more than we can recharge. To fix our drinking water shortage, we may have to start Desolination. Which is the process of removing the salt from ocean water producing clean drinking water. Saudi Arabia is already at the forefront of this simple solution to maintain safe clean drinking water. The next generation to inherit the earth will be faced with many challenges, and will have to come up with new safer ways of doing things with Earth's safety in mind. So for now go out and enjoy nature. Teach your children to love planet earth. Stay safe.

### YOU THINK ABOUT THAT

By Wesley Wood

woodw840@gmail.com

### Country in Turmoil and Confusion Due the Ineffectiveness of the "Church"

First of all, let me define, "Church", as used in this article. "Church:" A group of Churches joined together as an organization agreeing to function as a whole by rules and bylaws formed from biblically construed opinions and beliefs of the members. Examples: Southern Baptist Headquarters are in Nashville, TN, Assembly Of God headquarters are in Springfield, MO. and all other differently construed churches with organizational Headquarters in different cities, too many to list here. The use of the word "Church" in this article is not referring to any individual Church in any individual city. Pastors have a voice in what and how their organization believes and functions. Members of individual Churches also have a voice in what their Pastor takes to the headquarters of their "Organization". From comments I have received from previous articles, your Pastor may be a good man and may "preach the word" as you see and believe. However, you and your Pastor have a responsibility beyond your Church walls and Sunday morning. ALL "CHURCH" ORGANIZATIONS MUST IMMEDIATELY RESCIND THEIR 501c3 NON-PROFIT TAX STATUS WITH THE IRS. THIS WILL REQUIRE PAYING TAXES ON CERTAIN INCOMES IN THE FUTURE. This will allow the "Church" to unite and actively/legally speak out against the evils and demoralization of this country and the World. Because of this tax status from hell, the "Church" has forced "ITSELF" to be silent for the past 59 years, unable to stand against the ensuing evils now being forced on this Nation and the World. It doesn't matter how much money you are saving and the Good, you are promoting, "it is, what you are NOT doing because of it" that matters to the Father. Christ said very plainly "YOU CANNOT SERVE GOD AND MONEY". We are living with a "Faithless" and "Unfaithful" Church which is responsible for such conditions and all the evils corrupting this Country and the World today. What started out as two consenting adults behind closed doors has turned into what we are seeing today. How does "Normalization of Pedophilia" sound to all of you Church Members? Perversion is never satisfied. Our children our being exploited today more than ever before in this Country while the "Church" hides behind it's 501c3 Non-Profit tax status and allows it to happen. Christ taught about a "wicked and slothful servant". Read your Bible and figure it out. It is time for the Church to repent: Revelation 3:14: And unto the angel of the church of the Laodiceans write; These things saith the Amen, the faithful and true witness, the beginning of the creation of God.15: I know thy works, that thou art neither cold nor hot: I would thou wert cold or

hot.16: So then because thou art lukewarm, and neither cold nor hot, I will spue thee out of my mouth.17: Because thou sayest, I am rich, and increased with goods, and have need of nothing; and knowest not that thou art wretched, and miserable, and poor, and blind, and naked: 18: I counsel thee to buy of me gold tried in the fire, that thou mayest be rich; and white raiment, that thou mayest be clothed, and that the shame of thy nakedness do not appear; and anoint thine eyes with eye salve, that thou mayest see. 19: As many as I love, I rebuke and chasten: be zealous therefore, and repent. Christ taught: "unity in the "Church", "for the "Church" to be the light of the World", "the salt of the Earth", "good stewards" of his teachings", "his commandments" and much more. The steward that came in with the "One Talent" and excuses, didn't make the Kingdom of Heaven. It's time you understood your "responsibility" to the God you believe in, is much more than Church on Sunday morning. You cannot vote Democrat and be a "Christian". There is nothing in the Democrat agenda or platform that remotely resembles "Godliness". You cannot be a "Christian" and not Vote. Due to the demise of Morals and mental collapse of the Populus of this Country and the World, which the Complacency of the Church has allowed, we must vote Republican. Republican's morals and mental abilities are not much higher than the Democrats. However, Republicans do seem to know what a Woman is, and they don't believe a Man can get Pregnant as the Dems believe. Although, their mental status has degenerated, they still believe it's wrong to force parents to allow their six-year old's to physically mutilate their bodies just because they have been taught to think they want to be a boy, a girl, an animal or any other thing imaginable as the Democrats are promoting. It is now time for all Churches, as I have defined "Church" to forget their differences of opinions, come out of their state of "Complacency" and "Selflessness" and unite, completely and ultimately, Stand against, and vote unitedly against this massive evil and demonic agenda that the Democrats are promoting. All you believers in prayer, thinking "all you need to do is pray about this and it will go away" need to pull your head out and read your Bible. God never did anything for the children of Israel without them getting out of their comfort zone and doing what they were commanded. Christ did not perform his miracles without someone physically taking action. This idea of prayer and getting supernatural results came straight from the pits of hell. Satan has done a super job at "Dividing and Conquering" while the Church that Christ setup to be the force against this "Satanic evil" has become "Complacent" and gone to sleep. Statistics show there are 200 million "believers in Christ" in the United States. That many voters united for the same goal could change this situation really fast. The U S Navy has just released an instruction video for all Navy Military Members on the proper response to any and every individual's declared pronouns. If there is any reality left in this country it should, "surely" be in the "Church". Maybe, hopefully, the "Church" still has some form of reality. Do you guys really believe in the "Cross"? Are you guys' warriors of the "Cross"? Or, are you just "Church" socializers? I believe there will be a "Judgment" day. I believe you and I will be there to answer for "Our" own personal deeds. I'm Wesley Wood, YOU THINK ABOUT THAT!
