Volunteers Desperately Needed

Winslow Community Meals is desperately in need of volunteers. If you have a few hours in the morning up until about 1:00 or 1:30 or any time Monday - Friday that you can help at Meals it will be greatly appreciated. Cooking, answering the phone, serving up the to-go plates, handling the money and passing out dinners through the window is more than one or two people can handle.

Our Community Meals program is too important to jeopardize because of lack of volunteers. Even two or three hours once or twice a week would be a big help. Check your calendars and see if you can squeeze in some time to help our cook feed our community, especially our shut-ins.

Tidbits From The Hilltop

By Ann Tomlinson-Malkie

Can hardly believe it is February again. Another year has passed and the big C is still here but we can handle it. When I was a kid, I thought by the year 2022 we would be driving cars on air like the Jetsons (some of you know that cartoon show). I never gave a thought about retirement or getting "old". Still try not to and do it pretty well. Can't think of a better place to be than Winslow. Can't imagine why someone would want to live in the North with all that crazy snow – imagine dealing with two feet of it this week and way below zero temps. Compared to that, we have had a great winter. Time to get this to Jo. Please be safe and keep wearing your mask until they say its over. Cheers to all and watch for the deer. Ann

The art of living the old ways, in modern times..perfected...

I can hardly believe it is FEBRUARY!

I'm holding out for spring...

The cold snaps were worth it, with the beautiful snow and ice crystal tree tops, on the mountain. Keep the coffee flowing and we shall carry on with gratitude.

The amazing color of sunrises and sunsets makes me smile just when I need it the most!

Like many of you.. I'm ready to GET OUTSIDE MORE..kayaking my old friend, you are missed, but not for long!! Bring me sunshine and then wonder where I went so swiftly.

Remember to support local businesses and our community, it is nice to have them when you want them...and especially when you need them! A huge thank you to ALL of YOU who have survived and thrived...to stay open and create a new adventure.... here..in Winslow for all of us!

I have driven around NWA and am just in awe of all the growth.. Housing complexes on the outskirts of many cities and towns. Where there was small farms and rolling pastures..they are almost no more..downsized for the sake of progress..my heart breaks a little.. cities run into cities.. The back roads across towns are now expanded to meet the needs of high traffic demands. Without a trace of the charm of simple peace of the once.. road less traveled! The scenic peaceful beauty of Winslow will never be lost ... It's the people here that make this place wonderful and loving of nature's kind embrace..

Sometimes it's a bit harder here and we drive for a lot of things... To see what great progress brings(or takes) with it...I gladly drive to "town" and know that's where I want to leave all the big name box stores...

Always happy to see open land and small business that matter in our lives ..with the space to enjoy it!! Progress doesn't have to be bigger...just better together ☐

Winslow holds tight to a sense of community we all hold dear!

Old ways...modern world....turn back time..and keep Slow Town SLOW FOR ALL OF US....AND OUR FUTURE!

The spirit of love lives on in Winslow.

..lets keep it alive!!

Many thanks to ALL of you behind the scenes..truly...

THANK YOU...

ANONYMOUSLY WITH LOVE

"Senior version of Jesus Loves Me"

Here is a new version just for us who have white hair or no hair at all. For us over middle age (or even those almost there) and all you others, check out this newest version of Jesus Loves Me.

JESUS LOVES ME

Jesus loves me, this I know,
Though my hair is white as snow
Though my sight is growing dim,
Still He bids me trust in Him.

(CHORUS)

YES, JESUS LOVES ME.. YES, JESUS LOVES ME..
YES, JESUS LOVES ME FOR THE BIBLE TELLS ME SO.

Though my steps are oh, so slow,
With my hand in His I'll go
On through life, let come what may,
He'll be there to lead the way.

(CHORUS)

YES, JESUS LOVES ME.. YES, JESUS LOVES ME..
YES, JESUS LOVES ME FOR THE BIBLE TELLS ME SO.

When the nights are dark and long,
In my heart He puts a song,
Telling me in words so clear,
"Have no fear, for I am near."

(CHORUS)

YES, JESUS LOVES ME.. YES, JESUS LOVES ME..
YES, JESUS LOVES ME FOR THE BIBLE TELLS ME SO.

When my work on earth is done,
And life's victories have been won.
He will take me home above,
Then I'll understand His love

(CHORUS)

YES, JESUS LOVES ME.. YES, JESUS LOVES ME..
YES, JESUS LOVES ME FOR THE BIBLE TELLS ME SO.

I love Jesus, does He know?
Have I ever told Him so?
Jesus loves to hear me say,
That I love Him every day.

(CHORUS)

YES, JESUS LOVES ME.. YES, JESUS LOVES ME..
YES, JESUS LOVES ME FOR THE BIBLE TELLS ME SO.
