## City of Winslow Annual Spring Clean-up May 16, 2018

It is time for the annual Winslow Spring Clean-up. We would like to encourage our residents to take this opportunity to help beautify our little town. Pick up the trash and maybe do "that painting that you have been putting off for a few years". We have some exciting things going on and would like to look our best for our residents and visitors. If you have not been to any events at the Winslow Community Center (old school campus) we encourage you to go take a look at it, join a class, take advantage of the open gym for exercise and basketball, volunteer to help out there.

The Spring Clean-up will be Wednesday May 16, 2018 for residents inside the Winslow City limits. Please have all items out by your road before this day and do not add items. Please discourage anyone from bringing items from outside the city limits. The trash collectors will pick up certain type items at different times. This may mean that they will stop and get some of your discards and return at other times/days to get the rest. They will not pick up liquids of any kind, household garbage, dead animals or construction materials. If you have questions, call us 479-634-3901.

We ask that you abide by these rules so that the city can continue to provide this service to the residents within the city limit

## Boston Mt Fire Association

Boston Mt Fire Association will hold its annual meeting on Thursday May 10, 2018 at 7:00 PM at the Fire Station across from the Ball Park. Everyone is welcome but only members who have paid dues for 2018 by May 7, 2018 can vote on the issues presented.

Last year the members voted to raise dues to \$65.00 for 2018 and \$75.00 for 2019. Due to a misunderstanding in the office this was not done and you were charged \$50.00 for 2018.

In 2019 the dues will be \$75.00. This will not be on the agenda as it was passed at the 2017 annual meeting.

Don't forget the **FISH FRY and WCM AUCTION** on Saturday, May 12, 2018. Check out flyer on back of newsletter.

## Winslow Community Center Association

Tanya Farris

Oh MY!!! It's May and there is so much happening in the next few months that I hope I don't forget anything!

May 1st 6pm is the Japanese Egg Rolls and Fried Rice class that is going to be taught by Tommi Price. Cost for this class is \$2.00 for non-WCCA members.

May 5th from 8am -4 pm will be the Community Yard Sale. Price for space is a \$10 donation to the WCCA.

May 10th is the Painting with a Purpose Class at 6:30pm

May 17th is the Home Extension hosted cooking class at 6:30pm – watch Facebook to find out what they're cooking!

Now let's address SquirrelFest on June 2 from noon until 5pm. This is a major fundraising event and folks stepping in and helping is the only way that we can meet our fundraising goals. Volunteers are needed for preparing for the event and putting on the event. We also need you to start dropping off those donations of canned soft drinks, individual variety packages of chips or cash to pay for the items we'll be using for concessions.

The non-profit organizations met on Tuesday April 24 to continue discussing our visions for Winslow's future. One of those visions is better communication with the community. To that end – visit the Non-Profit Calendar on Google to see what's happening in the area. Copy this link into your browser's address bar:

<https://calendar.google.com/calendar/embed?src=qm7v4du81e7h35imdu910qusbc%40group.calendar.google.com&ctz=America%2FChicago>

Okay...now that the upcoming events are covered, I'm too exhausted to discuss WCCA business. Let's just say that there are still many areas that need addressing. We'll be painting the exterior of the gym/cafeterium as soon as weather permits. We need someone with paint sprayers to loan us the equipment and we appreciate Candy and Mark Reed loaning us scaffolding and City of Winslow for purchasing the paint!

Don't forget to buy your raffle tickets for that awesome Squirrel quilt we're giving away at SquirrelFest!

## Winslow Non-Profits Meeting 4/24/18

The non-profit organizations met again on Tuesday 4/24/18 to discuss their visions of Winslow now and in the future. Great questions were raised regarding how we as organizations and individuals view our community and its future.

- Who is Winslow and how do we differ from other Arkansas communities our size?
- What can we as non-profits do to make Winslow a better Winslow?
- What is the personality that Winslow projects to the rest of the world?
- Where do we as a community want Winslow to go in the future?

To address these questions and the future of our community, it was decided that committees would be formed to address these questions and other issues. At Tuesday's meeting, two committees were formed:

- Communication Committee
- Strategic Planning Committee

It is important to understand that you do not have to be active in any of the current non-profits to have a voice. If you are interested in serving in any capacity – we encourage you to contact any non-profit organization and volunteer to be a part of the big picture.

We placed an importance on such issues such as Historic Preservation, Zoning Codes, Beautification, Tourism and Communication. It is understood that to keep our community growing, we must attract younger families to the Winslow area by offering an alternative to our community's educational needs. We should endeavor to find a way to utilize the Scenic Byway status to bring in tourism dollars into the community. Furthermore, we need to tap into the creative and talented citizenry in the area to help us bridge these needs.

The non-profit organizations will be meeting quarterly to see ensure that we are achieving these goals. The next meeting will be June 26, 2018 at 7pm. If you have suggestions or wish to participate – you are encouraged to reach out through any of the local non-profits.

Winslow is UNIQUE, RESPECTFUL & COMPASSIONATE

## The Winslow Farmers Market

Every Saturday, 9-noon

At Winslow Blvd Depot Pavilion  
(Hwy 74 RR crossing)

We are often set up earlier, and welcome all vendors. There are no dues or fees. Just come and sell.

Perhaps you have a big garden this year and wonder what to do with the extra lettuce or kale? Keep us in mind later, too, when you are swimming in zucchini and tomatoes. Bring a chair and sell right out of your car, or set up a table under the Depot Pavilion.

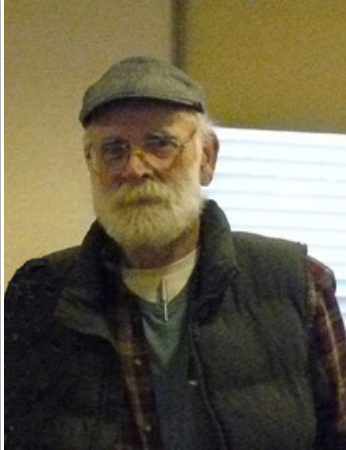

We welcome all types of vendors, musicians, performers. Heck, you can clean out your attic and bring the dusty lamps and books to sell. Or you can bring that extra rooster, rabbit or guinea. Everyone's got something to sell, barter or trade, don't they?

The Mercantile is open for coffee across the street. Sometimes, the local Squirrel Jammers treat us to tunes at 11:30, too.

## Tidbits from the Hilltop

by Ann Tomlinson Malkie

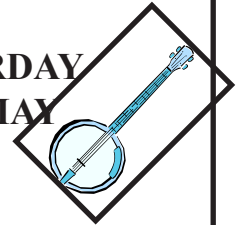

Congratulation! May is here and, if you have not already participated in early voting, on May 22, 2018, the polls will be open so that you can VOTE and make a difference! (As long as you registered in Arkansas timely and are at least 18 years old). Arkansas is pretty cool because with approved federal or state picture identification, you can vote at any polling place (but only once – ha). Personally, I believe our right to VOTE as a privilege and have been doing it since the laws changed to allow 18 year olds to VOTE for the first time in 1972. Guess everyone knows my age now (like they couldn't guess it before). See you at the Polls, or the Merchantile on Saturday mornings, or Meals (M-F), Folkways (grand re-opening on May 12), Fire Station # 2 (May 12 – 6:00 PM for Fish Fry and WCA Live Auction) or WCCA; anyway, looking forward to seeing you soon! Retirement is sure keeping me busy, and keeping me smiling – how about you!

#### The Feather Pillow

Romans 3:13 Their throat is an open sepulchre; with their tongues they have used deceit; the poison of asps is under their lips:  
James 1:26 If any man among you seem to be religious, and bridleth not his tongue, but deceiveth his own heart, this man's religion is vain. James 3:5 Even so the tongue is a little member, and boasteth great things. Behold, how great a matter a little fire kindleth! James 3:6 And the tongue is a fire, a world of iniquity: so is the tongue among our members, that it defileth the whole body, and setteth on fire the course of nature; and it is set on fire of hell. James 3:8 But the tongue can no man tame; it is an unruly evil, full of deadly poison. Gossip and the Waging Tongue has destroyed many many lives and human nature. The best example is demonstrated in the story of the feather pillow. On a windy day, a housewife intending to change the feathers in her pillow took the pillow to an upstairs window; opened one end of the pillow and shook it outside the window. The wind caught the feathers and carried them across the yard, into the woods and over the hills and valleys. The moral is not all of those feathers could be gathered together again. The same goes with gossip about and individual even when started with the truth will be distorted the more it is repeated until it is so misunderstood and turned into untruths' that it destroys the person. As the feathers in the pillow, the tails told can never be corrected and will affect the person the rest of his/her life. This gossip/tongue wagging is more prevalent among Church members than outside the Church. This ought not to be. There will be a Judgment day and you will be there to answer for "Your" own personal actions.

I'm Wesley Wood, YOU THINK ABOUT THAT!

### GUN-BARREL CHRISTIANS

An old, and wise preacher once remarked: "Some church members are just as straight as a gun barrel — and just as hard and cold as a gun barrel, too!" Sadly, that is not such an isolated condition. In fact, honesty compels us to admit that most of us, in certain situations, are guilty of a "gun barrel" mentality. We need to be reminded, from time to time, of the following...

**1) We Must Be Doctrinally And Morally Straight.** Moral and doctrinal correctness are indispensable elements of Christian living. There is "right" and "wrong" and God's people must seek the right and shun the wrong. We must be concerned about doctrinal truth because Jesus said: "...you shall know the truth, and the truth shall make you free." (John 8.32.) Truth is there; it may be known; it alone provides a way to freedom and God. It is also important for us to be morally correct because God insists: "You shall be holy, for I am holy." (1 Peter 1.16.) The Bible also commands: "Only conduct yourselves in a manner worthy of the gospel of Christ..." (Philippians 1.27.) God's standards are never optional. We must strive to be models of soundness, decency and righteousness.

**2) We Must Not Let Commitment To Moral And Doctrinal Integrity Make Us Hard, Or Mean, Or "Holier-Than-Thou."** This can often be a problem with the best people on earth. We can pride ourselves on being "gun barrel straight" without realizing that we have also become "gun barrel" hard. We may be able to give the right answers doctrinally and still have the wrong kind of hearts. We may allow our concern for personal holiness to degenerate into a "Pharisee" mentality.

Genuine Christianity never makes a person anything but tenderhearted! (Ephesians 4.32; 1 Peter 3.8.) Doctrinally, we must learn to "...speak the truth in love." (Ephesians 4.15.) Morally, we must learn to hate sin while loving sinners. (Jude 22, 23.) We must not only live by truth, decency and fairness; we must also consider what is merciful, generous and kind. To be cold, unforgiving and hard is to miss the whole emphasis of the gospel!

*The point is:* You can't measure a Christian life with just a plumb line. You also have to consider largeness of heart, depth of humility, and breadth of compassion. Because, after all, it is entirely possible to be just as straight as a gun barrel and just as hard... cold... and empty...!
