Washington County Animal Shelter Volunteers Rummage Sale & Pet Palooza Adoptation & FundRaiser

Yhe WCAS Volunteer Team is having a rummage sale to benefit Washington County Animal Shelter on June 23rd, 10am to 2pm. Hundreds of items at more than reasonable prices will be offered including all sorts of pet related items. Prices get cut in half from noon to 1pm. Then we will be selling \$1 bags for our visitors to "fill the bag". All proceeds will go towards the shelter's Special Projects wish list. This sale was made possible due to hundreds of donated items by the citizens of Washington County. (Donations will be taken during regular business hours at the shelter until June 22nd if you have anything you wish to part with).

This rummage sale will be in conjunction with Washington County Animal Shelter's 4th Annual Pet Palooza Adoption & Fundraiser event on June 23rd, 11am - 2pm. Besides getting to visit with all the shelter's adoptable dogs & cats, there will be "Hot Dogs for Homeless Dogs", hamburgers, treats & beverages available. Don't forget to check out all the great raffles going on including a multiple piece Yeti package, autographed sports memorabilia, tickets to a Kansas City Royals baseball game to be used during the 2018 season, and a whole lot more. There will be a bouncy house for the kids and lots of door prizes. You won't want to miss the fun at the Washington County Animal Shelter Pet Palooza & rummage sale. Address is: 801 W. Clydesdale off of School Ave (71B), located directly behind the Juvenile Justice Center. Hope to see you there!

3rd Saturday 10 AM @Ozark Folkways. & 1st Wednesday each month @ Prairie Grove Battlefield Park, Latta Barn, Prairie Grove, AR.

Winslow Community Meals (WCM) Update on the Renovation

WCM would like to thank everyone involved with the renovation. It takes the efforts of so many volunteers to take on such a labor intensive project and there are so many people, organizations and companies to thank so let's get started.

The goals:

The building is aged and we all knew it required some TLC (tender loving care). Since the Cook was going to be off for a week, it seemed like a good time to do it! Wow, did we have our hands full! The renovation required cleaning and painting the dining area, kitchen, and storage area including the ceiling and adding trim, repairing the flooring, covering the cement with epoxy, changing plumbing, replacing storage shelving, and removing/replacing commercial refrigerator/freezer which were larger than our doorways.

The Donors:

Northwest Arkansas Food Bank - Grant for the new 3-door commercial freezer;

AR Hunger Relief Alliance - Grant and community donations to James W. Tomlinson, Senior Memorial for the new 3-door commercial refrigerator (these were just in time purchases);

Winslow Community Development Council (WCDC) Grants with the Boston Mountain Fire Association's Fish Fry / joint Winslow Community Meal's Auctions for the repairs and resurfacing of the floors:

Winslow Community Center Association (WCCA) for allowing us to store our frozen food in its freezers during the renovation;

Winslow's Winfest Committee for it's just in time grant which helped us purchase the paint, supplies, and trim;

LOWES on Zion Road in Fayetteville for their very generous discounts in helping us purchase paints and supplies to give Meals a fresh new look.

Plantation Pest Management for donating our initial terminate treatment (something we really needed and gives us peace of mind):

Ed Herzog - Air Conditioning - continuously keeping our commercial refrigerator/ freezer repaired over the years.

There have been many individual cash and item donations for which we are very thankful; too many to mention individually and we hope you understand. However, there are a few individuals that physically helped with this labor intensive job that we would like to say "thank you" to:

We attempted to keep a general track of the volunteer hours that the renovation was taking. Using the current minimum wage times the estimated number of hours donated by volunteers, it would have cost WCM over \$4,200.00 in salaries to hire people to do this work and of course, we can't afford it. We tracked a total of 494 hours of which The Winslow Community Meals Board of Directors, as a unit, put in at least 205 hours over the two week renovation period. Another 221 hours were worked by three other

individuals that we owe a great debt, for we would not have been able to have completed the renovation in a timely manner without them:

Jerry Kidder, Harlon Snow, Daniel Smith (you guys are terrific)!!!

We recorded the names of twenty-three volunteers that physically helped with the project and we love you all and do appreciate you so much. Now, that we are re-grouping, come on down Winslow, and visit us. So glad to be open for business. Thankful too! It was a rough two weeks and we missed everyone! Please forgive if I missed anyone.

Winslow Community Meals

Thanks

Plantation Pest Management donated the initial termite service for WCM

Tidbits from the Hilltop

By Ann Tomlinson Malkie

It appears that it will truly be a beautiful June for the City of Winslow. With all of the rain and now sunshine, the trees are at full bloom and there are so many activities taking place. Winslow appears to be under-going a renovation with both Winslow Community Meals and Ozark Folkways receiving recent "face-lifts" by volunteers coupled the opening of the Dollar General. The Saturday's Farmer's Market was lively as was the Merchantile Coffee Shop. As I sit on the "deck" (they tell me it is not a porch because it does not have a cover), listening to the birds and highway, I keeping thinking how blessed we are to be part of such an active small community where people work together so well, care about each other and about their community. It is such a joy to be home. Talk to you next month and hope to see you at the Squirrelfest on June 2 and Winslow History Day on June 30.

ROSES & THISTLES

Roses and more Roses to Tommi Price for her fantastic cooking claass on Spring Rolls. The Fried Rice was delicious and a pleasant compliment to the Spring Rolls.

Winslow Community Center Association

Tanya Farris

June has arrived, but it sure feels like July, and SquirrelFest is finally here!

Festivities will begin at noon on June 2nd and continue through the afternoon until 5pm.

We'll be raising funds in this 2nd Annual SquirrelFest fundraiser and hope to see all Winslow Squirrels come out and enjoy the festivities and help us raise money so that the WCCA can continue to grow and serve the community.

Activities for the kids will include a sack race relay, spoon/penny race relay, three-legged race, ring toss, pail toss and many more games and fun.

Live music will be all afternoon with local favorites Squirrel Jam, Gene & Stew, East 16 and the always popular Sonic Katz raising the roof!

There will be sloppy joes, hot dogs, corn dogs, chips and drinks available and some of our favorite local vendors will be on hand offering their crafts and wares. We hope to see EVERYONE out supporting the CommUnity Center. Remember there is no CommUnity Center without U!

And don't forget to buy your 2nd Annual SquirrelFest t-shirts - \$15.00. We'll have discounted t-shirts from our previous festivals and don't forget those raffle tickets for the Squirrel quilt! \$1 a piece or a bargain of 6 for \$5.

As summer approaches, remember that the Winslow United Methodist Church is opening the gymnasium every Monday beginning on June 4th 9am – 11am for kids of all ages to come and play games and run off some of that pent-up energy. This is not a drop off service, so please plan on staying and supervising your youngsters. The exercise equipment and the bleachers can be a very dangerous situation for the little ones and we don't want anyone getting hurt. Adult gym hours will continue Mondays from 5pm until 7pm. Walking, basketball and exercise equipment available for your use. Men's basketball is in full swing on Tuesday evenings from 5 until 8 and they are having more and more players show up. Get involved and let's get some tournaments going so that we can raise some much-needed funds for the Community Center.

Additionally, kid's basketball is continuing this summer on Thursdays 5-7pm. These open hours are for the benefit of the entire community and it shows our need when the gym is filled!

All classes except for the Painting Class are on hold through the summer but watch for exciting things to come in late summer – early fall. Middle Eastern cooking, another Asian cooking class, some delicious Mexican Food and of course the Home Extension cooking classes will resume in September.

Plans are in the works for some Summer Theatre and some Summer Concerts so stay tuned.

We'll be at History Day helping to serve some ice cream and getting social on June 30th. Hope to see you there.

The WCCA will be hosting a benefit July 14th at 5pm-7pm to help Kira Dwyer Sanford and her dear family as they deal with their tragic loss of beloved husband and father, Jason. We'll have a spaghetti supper, pie auction and some live music as we once again come together as a Community to lend a hand to one of our own in need. Y'all have a great summer. We'll see you at SquirrelFest.

WINSLOW LOVED ONES WE HAVE LOST

Michael Goodwin

June 16, 1951 - May 4, 2018

Michael Goodwin, age 66, of Springdale, Arkansas passed away Friday May 4, 2018. He was born June 16, 1951 in Oklahoma City, Oklahoma to Ted and Iva Luper Goodwin.

He was preceded in death by his parents Ted and Iva Goodwin, sons, Terry Goodwin and Shawn Goodwin.

He is survived by wife, Deborah Joyce Goodwin; his son, Rocky Bird of Wyoming; his two daughters, Candy Feagin of Benton, Arkansas and Angela Strothers of Galveston, Texas; sister, Carmen Caton of Oklahoma City, Oklahoma; and 8 grandchildren.

Graveside service will be 11:00 am Saturday May 12, 2018 in Parks Cemetery near Winslow, Arkansas under the direction of Moore's Chapel.

Jason Robb Sanford

February 8, 1978 - May 20, 2018

Jason Robb Sanford, of Winslow, passed away on Sunday, May 20, 2018 at 40 years young. He was born on February, 8, 1978 in Fayetteville, Arkansas to David and Janice (Shea) Sanford. He was preceded in death by his maternal grandfather Ray Shea, and paternal grandparents Elizabeth Norman Sanford and Charles F. Sanford.

Jason played on four state championship soccer teams, played baseball and football, all while he was a teenager.

He also loved fishing. He was a hard worker who loved his family and his friends. He was a jack of all trades, and was able to do just about anything from automobile mechanic to carpentry and tile work. He did everything he possibly could to help those he came in contact with who were in need. He was a great dad and did everything he could to provide for his kids. He loved to play and wrestle with them all. He enjoyed talking and being with his kids and his wife and best friend, Kira. He had the best hugs and infectious smile, and he will be deeply missed.

He is survived by his wife and best friend Kira Sanford of Winslow, Arkansas; his seven children Shealynn, Hailey, Carley, David, Tony, Kairi, and Kennedy; his parents David and Janice Sanford of Fayetteville, Arkansas; sister Staci Sanford of Springdale, Arkansas; twin brother Damon Sanford of Fayetteville, Arkansas; his maternal grandmother Joan Shea of Brea, California; his extended family Chuck and Emily Dwyer, and their kids; his best friends Amanda and Daniel Smith and their kids; and many other family, friends, and loved ones.

A visitation was held on Thursday, May 24, 2018 from 5:00 PM to 7:00 PM, at Moore's Chapel Funeral Home.

A Memorial for Ronald James Johns

By Marsha and Buddy Johns

Ronald James Johns passed away on April 12, 2018 at age 75. He was born September 11, 1942 in Wichita, Kansas to Ava Johns and Hazel Marie (Courtney) Johns. Ronald resided in rural Winslow, AR since 1983. Ronald's viewing and funeral were on April 16, 2018, at First Baptist Church of Winslow, Pastor Greg Dold officiating. Services were under direction of Moore's Funeral Chapel of Fayetteville, AR. Ronald's obituary was in the Northwest Arkansas Democrat Gazette on April 14. The following writing was lovingly done May 14, 2018 by his brother, Buddy Johns, and his sister, Marcia Johns. For an unabridged version of this memorial go to www.mooresfuneralchapel.com.

In 1965 Ronald married Patricia Jean Michael. They had one child, a son DJ. Ronald is survived by DJ (Django Johns DuBose), DJ's wife, Jillian; a grand-daughter, Evlin Jennifer DuBose; and a grandson, James Michael DuBose, all of Austin, TX. Ronald is also survived by a brother, Buddy Ava Johns Jr., and a sister, Marcia Lorraine Johns, both of Wichita, KS.

Preceding Ronald in death were his parents; two sisters, Gloria Marie Johns and Janice Ann Johns; and one brother, Gilbert Johns, all of Wichita.

Ronald was greatly loved by his family and friends, and Ron loved his family and friends greatly. He enjoyed proudly telling of his family's successes. It was important to him to spend time talking with his friends. He cheered people with his great sense of humor.

His schools were Martinson, Allison, and West High, in Wichita. From Wichita State University Ron graduated with B.A. degrees in English and mathematics and an M.A. in English. He earned a Ph.D. (ABD) in English from the University of Oklahoma at Norman.

He taught there and at Kansas State University. Other teachers expressed high opinions of his teaching. Ron was described as brilliant. He wrote fine poetry, taught English and math, and was expert in history and current events.

Ron was a talented stonemason. An example of his work is the gateway just east of Arkansas's Scenic U.S. Highway 71 and across from the Brentwood, AR Community Building.

In the construction of a large industrial building near Fayetteville, Ron was responsible for the walls to be at exact right angles. A surveyor found the results to be nearly perfect. Ron also built high-domed roofs on churches by rappelling. One such roof is on the First Freewill Baptist Church, Hot Springs, AR.

Ron is remembered for his soft-heartedness toward helping people. One time while being taken by his brother to the emergency room he insisted on stopping and helping a friend who was having car trouble.

In recent months, though ill himself, he stood in the cold to call 911 and wait for medics to help an unconscious stranger in a parking lot.

Ron learned building skills from his father. Ron and his brother Buddy built a model railroad. The three went fishing and hunting together.

Ron and his mom shared gardening, and Ron loved his mom's homemade pies. He was impressed by his sister Gloria's church job and her dramas of the first Christmas. Ron and his sister Marcia liked to gather family history and hike together. His sister Janice and he bird-watched, and they ice-skated on a frozen pond. Ron liked to camp, watch rodeos and baseball, ride horseback and travel. After Ron and Patricia Michael married in Wichita they moved to Oklahoma. Patricia was an artist and Ron spoke of his great admiration for her artwork. Ron and Patricia were blessed with the birth of their son DJ. Over the years their family enjoyed watersports, later shared with Jill, Evlin, and James. Ron was delighted to take DJ and DJ's family swimming at Devil's Den State Park near Winslow. Ron celebrated DJ's engineering degree and the high school graduations of Evlin and James.

Ron loved sharing music. He sang, played guitar, piano, and other instruments. He built and played mountain dulcimers. Famous banjo player Alan Munde was a friend of Ron and Patricia and entitled a song after the name of their pet dog. Also, Ron met Doc Watson and Bill Monroe. He attended concerts by Tommy Emmanuel and Itzhak Perlman.

Ron selected more than 20 gospel songs done by his favorite musicians and had a special album made, which he enjoyed playing for others. He distributed copies of the Billy Graham DVD The Cross, copies of the publication Guidepost, and placards of Psalms.

"Everything Jesus said was right" was Ron's testimony to his family. While driving alongside mountain scenery listening to a reading of Psalm 8 about

God's majesty, Ron witnessed that God is able to create His handiwork in just an instant.

Ron loved the beauty of the Ozark Mountains, and he loved his woods with its animals and birds. One of Ron's doctors said to him not long ago, "Ron, you're a strong mountain man." Ron loved God, America, his family, and his friends. Ron was greatly loved and will always be remembered and missed.

WHAT GOES ON AT WINSLOW COMMUNITY MEALS?

BEGINNER'S QUILTING CLASS

We hold Beginning Quilting Classes every Thursday @ 12:30 PM at Winslow Community Meals.

The pattern we are using teaches the entire quilting process from cutting it out, to quilting the finished piece. It adapts itself to any type of quilt from a children's quilt to a Quilt of Valor, or any season of the year.

Everyone is welcome even if you already know how to quilt. Come and join us. You can work on your own projects and have lots of fun doing it.

If you like come early and join us for lunch. You get a delicious for only \$4.00 and help support Winslow Community Meals.

Several people have chosen to make Quilts of Valor for the Veteran's Day presentation in November.

QUILTS OF VALOR

We are officially starting our own Quilts of Valor Group. We will be the first Official Quilts of Valor Group in Washington County !!!! YEAAAAAA WINSLOW!!!

The mission of the Quilts of Valor Foundation is to cover service members and veterans with comforting and healing Quilts of Valor.

So please come and join us. You don't have to know how to quilt ... you can come and cut material or just visit.

If you can't or don't want to do that, but you want to be a part of a great non-profit group we can always use money for material and supplies.

JOIN US EVERY FRIDAY AT 10:00 FOR AN ENJOYABLE GAME OF BINGO AT WINSLOW COMMUNITY MEALS

"THE LEAST OF THESE THRIFT SHOP"

The old Assembly of God Church thrift store has been renamed "The Least of These Thrift Shop". It is located in the old candle factory on Highway 71. The hours are Monday thru Saturday 9:00 A.M. to 5:00 P.M.

The store has expanded its assortment of goods into categories such as, sporting goods section, tool section, etc. Check with the ladies at the store to see what other sections they have completed. If you have no use for it and it's in working condition consider donating it so someone else can use it. They have a weather-proof outside storage area so you may drop things off anytime, even when they are not open,

BRENTWOOD CEMETERY

Do you have friends or family buried in the Brentwood Cemetery north of Winslow, Arkansas? Please help us keep the lawn mowed by sending a contribution to:

Brentwood Cemetery Fund, % Mrs. Beverly Stout, 15653 Canfield Rd, West Fork, AR 72774. Phone 479-839-2119

DEVIL'S DEN STATE PARK

FRIDAY, JUNE 8

29th Annual Bat-O-Rama Weekend

Join us as we celebrate the importance and discover the struggle of these unique flying mammals.

10:00 – 10:30 a.m. BATS: SKILLED IN THE DARKNESS Bats are not blind, but how are they able to live in the dark? Meet Park Interpreter Mystina for a few activities to discover just how skilled bats are in the darkness as they find their food and their babies. Meet in the Visitor Center Audio-Visual Room.

11:00 – 11:45 a.m. HIKING WITH NATURE SENSE Join Park Interpreter Mystina for a hike to put your sense of sight, touch, smell, and hearing to the test as you explore some of the natural things found in Devil's Den State Park. Meet at the suspension bridge.

1:00- 1:45 p.m. WHAT'S IN A NAME? Join Park Interpreter Terry for a fun game of trying to figure out what letters and descriptions make up a certain critter's name. Meet at the pool area during the break.

3:00 - 3-30 p.m. WHO ARE YOU? Animals can be hard to spot, but they leave signs of their presence in many ways. Meet Park Interpreter Terry in the Visitor Center Audio-Visual room to test your knowledge of animals.

4:00–5:00 p.m. DEVIL'S DEN SOFTBALL Everyone is invited to join Park Interpreters Mystina and Terry for softball. Come be a part of this living legacy! We have gloves, bats, and balls, but we need you for a game! Meet at the ball field in Camp Area E.

8:30 – 9:15 p.m. LISTEN TO THE BATS Join Park Interpreter Terry and ASU students while we listen to the bats as they foliage for their nightly food. The students will have specific acoustic equipment that will allow us to not only hear the echolocation sounds but we'll identify what species of bats we are hearing. Join us for an interesting evening of listening to these amazing flying mammals! Please bring a light source and chair or blanket to sit on. Meet near the dam on Lake Devil.

SATURDAY, JUNE 9

1:30 – 2:00 p.m. IF I WERE A BEAR All animals including bears have certain requirements in order to survive. Join Park Interpreter Terry for a fun game of playing bear and see if you could survive in the forest. Meet in the Visitor Center Audio-Visual room.

2:30 p.m. MEET A CRITTER There are many animals that live in Devil's Den State Park. Join Park Interpreter Mystina at the pool area to meet one up close!

3:00 -3:30 p.m. BAT CRAFT FUN Join Park Interpreter Terry and make a fun bat craft to take home. You will even learn a few interesting facts about the interesting flying mammal. Meet in the visitor center Audio-Visual room.

4:00–5:00 p.m. DEVIL'S DEN SOFTBALL Everyone is invited to join Park Interpreters Mystina and Terry for softball. Come be a part of this living legacy! We have gloves, bats, and balls, but we need you for a game! Meet at the ball field in Camp Area E.

9:30 p.m. BAT NETTING RESEARCH Join Dr. Tom Risch and his graduate students as they mist net for bats to learn more about what species inhabit the park and how they are doing. This very special program will give you an up close look at the bats of Devil's Den State Park. The meeting place will be announced at Dr. Risch's earlier talk or check with park staff.

Please know that Dr. Risch and his students are trained professionals with proper permits for sampling bats for scientific data. Do not tamper with their nets or try to handle a live bat. They will answer your questions about this very fascinating mode of study.

Tree City USA a win-win for Winslow

By Krista Quinn

inslow is a picturesque city in the Ozark Mountains about halfway between Fayetteville and Fort Smith. While many small towns are struggling economically and socially, Winslow, with its population of about 400, is thriving. Winslow's residents have a strong sense of community pride and organize many community projects and events throughout the year. Two years ago, Winslow completed the requirements to become a Tree City USA and according to Ken Stout, an artist and the local Tree Board chairman, the program has been a great way to unite the community and beautify their surroundings while also helping the environment.

"It was just so easy," Stout says. "It has been delightful to work with the Arkansas Forestry Commission and Beaver Watershed Alliance. Everyone has been very supportive and I think it's really underlined our desire to take care of what we have here in Winslow."

Stout and his wife, Donna, first became interested in the trees in their community three years ago when they noticed that the banks of a creek running through Peek's Park in downtown Winslow were badly eroding. Stout contacted the Beaver Watershed Alliance for suggestions on how to stabilize the banks and in the process learned about how trees can greatly improve drinking water quality. The city initiated a project to improve the stream that included planting many trees and other native plants. The creek now looks like a natural mountain stream and the appearance of the park has been enhanced.

Stout was encouraged by how working on the stream bank project brought his community together.

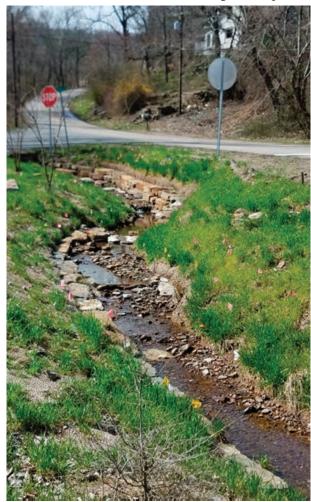

"I think it helped people realize that what we have here is special," Stout says. "There's a lot of pride in the town."

Becoming a Tree City USA was the next logical step for the community. Tree City USA is a program managed by the National Arbor Day Foundation and coordinated locally by the Arkansas Forestry Commission. The program recognizes communities that are committed to sound management of their community trees. Communities must meet four core standards in order to become an official Tree City USA including maintaining a tree board or department, having a community tree ordinance, spending at least \$2 per capita on tree care, and celebrating Arbor Day. The Tree City designation serves as both recognition of a community's achievements and

as a guide for cities and towns to continue to care for and plant trees.

"The Mayor has been so supportive," says Stout about the Tree City USA program. "He understands how the program will improve our town and the environment."

The Tree City USA standard requiring that cities spend at least \$2 per capita on tree care can at first seem impossible for some small towns. However, many communities spend this amount on tree care activities without realizing it. Grants, donations, and volunteer labor can be included when documenting these expenses.

The appearance of Peek's Park in downtown Winslow was greatly enhanced by a project that included planting many trees and other native plants to stabilize the stream banks and improve water quality.

48 CITY & TOWN

Winslow Mayor Randy Jarnagan reads the official Arbor Day proclamation at the town's Arbor Day celebration held earlier this spring.

In Winslow's case, the entire tree care budget is met by calculating the value of their volunteer labor and grants that they receive for their projects. The City of Winslow spends no city funds on tree care, but the residents provide numerous valuable services through their volunteer efforts.

Residents have initiated several other projects in local parks that will both beautify the community and improve water quality in the area. In Tunnel Park, which overlooks the historic Winslow Tunnel on the Arkansas and Missouri Rail Line, groups of volunteers are working to eradicate kudzu vines and other invasive plants on a steep slope and have planted almost 100 native trees which will stabilize the slope, filter stormwater, and provide habitat for wildlife. Also, at the local ball park, the community has planted trees to provide shade and installed a rain garden demonstration to educate the public about how plants improve

water quality.

Stout and others in the community have become advocates for planting native plants and already have other future projects in mind.

"As a painter, I may as well reduce my palette in the studio to one color—green—given how much time I'm dedicating to 'green projects,'" Stout says. "All worthy ones, of course!"

Volunteers have planted almost 100 native trees on a hillside in Winslow's Tunnel Park using grow tubes to enhance their growth.

Becoming a Tree City USA helped the residents and community leaders of Winslow to recognize trees as valuable resources and provided a framework to manage them accordingly. Winslow may be small, but the city is doing great things to improve their public green spaces and help the environment at the same time.

Krista Quinn is the urban forestry partnership coordinator with the Arkansas Forestry Commission. Contact Krista at (479) 228-7929 or email Krista.Quinn@arkansas.gov.

MAY 2018 49

Summer Art Camp For Kids

Monday-Friday, June 25-29 • 9:00 a.m.-noon daily

Wildwood Village, a summer art camp for kids aged 5-12 will be presented by Erin Chapman and Tracie Slattery. During the course of the week, through a series of guided activities, students will design and build a a make-believe village.

The fun will begin with students learning the basic concepts, planning and designing their houses, and collecting materials. Students will then create three-dimensional characters to inhabit their houses under the direction of artist Madison Woods, and develop stories for their characters.

By Friday, each student will have designed, built, and decorated a "Wildwood Home" to be incorporated into the village, complete with inhabitants; the Wildwood Village itself will be situated among the trees bordering the meadow behind the Ozark Folkways building.

Community and parents will be invited to a twilight pot-luck/wiener roast the evening of Friday, June 29, during which students will give guided tours through the village.

Cost is \$30 per child (limited to 16 participants)
Snacks and materials are provided.

Bushwhacking 101: The Art of Survival Saturday, June 9 • 10 a.m.-5p.m.

Come learn traditional survival skills such as fire making and shelter building with instructors from American Survival Company. Cost for this workshop is \$100 for the day, which includes one child and one guardian.

Edible, Poisonous, and Medicinal Mushrooms Saturday, June 23 • 10 a.m.-7 p.m.

Jav Justice will teach techniques

Jay Justice will teach techniques used to identify which summer mushrooms are worth picking for culinary and medicinal purposes and those that are best to admire from a distance. Tickets are \$50 per person and include tasting session.

Spring Fling Success

Thanks to everyone who joined us on May 12 for our first "Spring Fling." We are proud to have the opportunity to display selections of the outstanding art and craft produced by the Folkways family.

Thanks especially to everyone who cast a vote in the "Visitors' Choice" competition. The results are in:

First Place: Cindy Arsaga for her encaustic painting "Passing Through"

Second Place: Denice Nicholson

for her wax resist dye painting "Cornflowers"

Third Place: Jody Wheeler

for her handmade silk purse.

Fourth Place: John Collier

for his hand-carved cherrywood bowl.

All of the entries were amazing, and we thank everyone who participated. If you haven't had a chance to see the artwork on display, hurry in!

Herbal Salve Making Saturday, July 14 • 1-3 p.m.

Presented by Jenny Dietzel, this informative class teaches participants how to make an herbal salve from a single healing herb or how to combine herbs into a formula for their synergistic effects. Class fee is \$20 and includes a jar of either original or lavender salve.

More information and additional events at OzarkFolkways.org.

LOVE (PART I)

A Society that promotes Love, only, without any consequences of actions in either this Life or the Life after Death, will only unleash the Sin Nature in Humankind with no beliefs to restrain him and will end in Sorrow and Anguish just as we are beginning to see and experience in this Nation. I watched a Documentary on the Cherokee Indians in the 16th century. One of their priorities was to preserve wild life to ensure their food supply for their ancestry. Even in their primitive culture, they understood the need to restrain their imperfect nature from tolerating the destruction of the food supply. They taught and indoctrinated their young to show proper respect to the animals they killed for food or the meat would poison them.

People; regardless of what you choose to believe to ease your conscience or for your comfort believing your loved one is in Heaven, God's Wrath and Judgment did not end at the Cross. God Is Not Tolerant. All you want to hear is "God is Love" and "Everyone goes to Heaven". You like to sing about the New Jerusalem John saw. However, you leave out what John Saw in Revelation Chapter 20:10, And the devil that deceived them was cast into the lake of fire and brimstone, where the beast and the false prophets are, and shall be tormented day and night for ever and ever.11. And I saw a great white throne, and him that sat on it, from whose face the Earth and the Heaven fled away; and there was found no place for them.12, And I saw the Dead, Small and Great, stand before God; and the Books were Opened; and another Book was Opened, which is the Book of Life. And the Dead were Judged out of those things which were written in the Books, according to Their Works.13, And the Sea gave up the Dead which were in it; and Death and Hell delivered up the Dead which were in them: and they were judged every man according to their works.14 And Death and Hell were cast into the Lake of Fire. This is the Second Death.15, And Whosoever was not found written in the Book of Life was east into the Lake of Fire. Revelation 21: 8, But the fearful, and unbeliev ing, and the abominable, and murderers, and whoremongers, and sorcer ers, and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death. I know, that isn't what you want to hear. However, it is just as real as "God's Love" and the 'New Jerusalem". Such ideas have been and are very dangerous and detrimental since beginning of time and will be in the future if it continues. This Nation, this Society is beginning to resemble the days before the flood. However, we could change that, as in "Jonah" and "Nineveh". Just as Jonah had to repent, and Preach repentance to Nineveh, so the Churches have to repent and lead the people. I'm not bashing Churches as it may seem, I'm admonishing the Churches based on scripture, common sense and logic. However, the Moral Decay and Sins of today, Judge the Church because if the Church was doing its duty, the Moral Decay and Sins would not be here at or close to the intensity, it is today. I will continue this next month. Until then, remember. There will be a Judgment day and you will be there to answer for "Your" own personal Actions or Non-Actions. I'm Wesley Wood, YOU THINK ABOUT THAT!

FOUR LEVELS OF LIVING

There are different levels at which life can be lived. A person can choose to live on the high ground, or in the spiritual low-lands, or at some level of misty compromise in between! It is even possible to exist in a kind of spiritual schizophrenia which seeks to live on multiple levels at the same time! That is why many lives seem disjointed... unfulfilling... and ineffective... Consider some levels at which people are living:

- 1) The Carnal Level. This is the lowest level of life. It is the natural or animal level of existence. People who live here are interested only in the gratification of their physical desires. Their appetites are their god! But the Bible warns that "to be carnally minded is death." (Romans 8.6) Those who seek to cast off all restraint simply become slaves of their own passions.
- 2) The Crowd Level. Peer pressure the desire to conform to the crowd is a potent force in shaping attitudes and actions. People justify their choice in entertainment, in dress, in personal morality and habits on the grounds that "Everybody is doing it!" But the Bible warns: "Thou shalt not follow a multitude to do evil." (Exodus 23.2) Any dead fish can drift with the current; it takes moral vigor to swim upstream!
- **3) The Conscience Level.** Many fine and sincere people believe it is enough to "Let your conscience be your guide." But there are also problems with this approach: First, a good conscience may simply be a sign of a bad memory. Secondly, the conscience is only as reliable as the teaching it has received! A person taught wrong can do wrong in good conscience. (cf John 16.2; Acts 23.1) The Bible warns: "There is a way that seems right to a man, But its end is the way of death." (Proverbs 14.12.)
- **4)** The Christ Level. This is the highest level of all. It requires: Obedience to the Lordship of Christ; Imitation of the life-style of Christ; and Demonstration of the love of Christ. (*John 13.33-34*) There are many levels of life, but this alone provides a safe standard at which to live!

"To every man there openeth a high way and a low...

And every man decideth, which way his soul shall go!"
