### November Newsletter

It doesn't look like we're going to have a colorful fall, does it? I I had some good news a few weeks ago from a former publisher He has several copies of the original Boston Mountain, Lost In The Ozarks books.

I'm also happy to say he mailed them to me, For some reason since he's closed down the company, he can't deal with selling them through Amazon. So for those of you who have requested a copy, I do have some and they are not used. They were still in the wrappings so they are in great shape. Because I don't have to deal with Amazon myself I'm putting a lower price on them. If you need a copy mailed I'll have to add postage as it's going higher all the time, but if you can drop by you can pick one up directly from me. I don't like to use this newsletter to sell things, but because of the demand for this book over the past couple of years with it out of print, I'm going to let everyone know I have them. If you're interested just give me a call and I'll arrange for you to have one at a reduced price. I'm so pleased because I had let my final original one go to someone desperate to have a copy and so now I have one for myself. Call me at 283-6945.

Since we're on this book subject, my latest two Westerns in collaboration with Dusty Richards are available on audible, Ebooks and soft cover. That's Blue Roan Colt and the first in the Texas Badge series. A reminder that the second in that series, Texas Lightning is only available in hard back and Ebooks. The soft cover won't be available till March 23, because of the continued slowdown of paper and distribution due to Covid19. I hope everyone is avoiding this virus. Don't forget to get your fifth vaccination, which is now available.

I attended two conferences for writers this month, both of which had been presented virtually last year because of the pandemic. It was so nice to actually sit in the rooms with so many friends I hadn't seen in so long. Hopefully our lives can get back to some sort of normal. Condolences to everyone who lost someone to this deadly virus. As we go into the long holiday season, Thanksgiving to Christmas I wish everyone a healthy and happy family season. Velda Brotherton

### YOU THINK ABOUT THAT

#### THE CHURCH

Continuing from my July article.

Matthew 7:6 Give not that which is holy unto the dogs, neither cast re your pearls before swine, lest they trample them under their feet, and turn again and rend you.

Evil is the default of our fallen nature.

The Church membership is in a free fall today because the “product” it has been selling for the last four hundred years is bogus and people are waking up to that fact by the millions. If the church wants to put buildings on every street corner touting their music, different opinions of what God’s word means, that is fine.

Common sense says none of you can be 100 percent correct; and that means; “factually”; you have a 50 percent chance of being wrong.

But for God’s sake can we not come together as “One”, “United”, to stop this moral decay traversing our nation to the detriment of our children and our nation and our society?

Can we not agree on just one thing that we should all know the Bible teaches and History tells us.

High Morals with personal responsibility exalts a nation/society while Low Morals with personal irresponsibility destroys a nation/society?

Can we not be united and vigilant with our school boards? Our local governments? Our state governments? Our federal government?

Jesus said; he would that you were cold or hot but that you are lukewarm he will puke you out of his mouth. Revelation 3:15,

I know thy works, that thou art neither cold nor hot: I would thou wert cold or hot. 16, So then because thou art lukewarm, and neither cold nor hot, I will spue thee out of my mouth. 17, Because thou sayest, I am rich, and increased with goods, and have need of nothing; and knowest not that thou art wretched, and miserable, and poor, and blind, and naked.

For you, that would self-righteously want to throw this over your shoulder to another denomination; look out; 1 Corinthians 10:12 Wherefore let him that thinketh he standeth take heed lest he fall. I believe there will be a “Judgment” day. I believe you and I will be there to

answer for our own personal actions.

I’m Wesley Wood,

YOU THINK ABOUT THAT!

## From The Voice Of One On The Top Of Brentwood Mountain!

### *7 Signs of Jesus Soon Return*

Harry R. Truman died on May 18 1980 because he dismissed the ominous warning signs of Mt. St. Helens eruption.

Lest we make the same mistake as Harry R. Truman, the Lord has gifted us with His prophetic Word. In the last days of the Savior’s life on earth, His disciples asked, “What will be the sign of Your coming?” (Matthew 24:3). Jesus then proceeded to list those signs that would herald His return at “the end of the age.”

From this verse and others, we see that the Bible equates the Second Coming with the end of the world. Furthermore, “When the Son of man shall come in his glory, and all the holy angels with him, then shall he sit upon the throne of his glory: And before him shall be gathered all nations: and he shall separate them one from another, as a shepherd divideth [his] sheep from the goats: Mathew 25:31,32 (vv33-46) describes the final judgment. The return of Christ is the most significant day of all mankind because it reveals the ultimate destiny of every person, unveiling who will receive eternal life and who will receive eternal death.

And God reveals particular signs that lead up to that day because He wants us to be prepared for that great event. You are most likely familiar with the signs of “wars and rumors of war” (24:6), “famines, pestilences, and earthquakes in various places”(V 7), all of which we’ve seen ramping up not only in our lifetime but, with even greater severity, in the last couple of years, Christ identified these as the beginning of sorrows” (v 8). But scripture also mentions several more signs that we’re about to examine.

The rest is yet to come in future issues of Within Winslow.

Larry Smith
