The Winslow City Council and Administrators honored Councilmember Marsha Cooley at her last Council meeting in July 2024. Prior to her retirement, Alderperson Cooley serviced with honor on the Council for her Ward exactly thirty (30) years (yes, we counted the months and it equaled 360 months). Thank you, Marsha, for all you have done for the City of Winslow – you will be missed. Meanwhile, we would like to welcome Ryan Center to the Council to fill the Ward 3, Position 2 vacancy. Due to his interest, he was appointed and sworn in during the August 2024, City Council meeting. Best wishes to Alderman Center, may he have a long and successful tenure with the Winslow City Council as he represents Winslow Ward 3.

Winslow Community Center Association News

Here's your sign.... Those new to the community will be able to find the community center now that there is a large sign on the side of the gym. Thank you to the alumni who contributed to the purchase of the sign. Thank you, Regina Reed for your graphic art design and to Rick and Marsha for coordinating the effort. No more getting lost.

The help that is offered makes a huge difference. A special thank you to Sister Missionaries from the Church of Jesus Christ of Latter-Day Saints in Prairie Grove and Fayetteville who spent most of their day deep cleaning the kitchen and cafeteria. Thank you, Josh J. for painting the trim in the former coach's office.

We're going back to our roots....Starting January 1, 2025, our prices will change slightly. If you are a member of the WCCA the price is the same. Members: \$50 rental fee for the gym

\$100 rental fee for the cafeteria/kitchen.

Non-member : \$100 for the gym

\$150 for the cafeteria/kitchen.

You might ask, "how do I become a member?" or "what does being a member entail?" Here's the scoop. Annual membership is \$10 per person or \$25 per family. You are invited to come to our monthly meetings and to vote in the annual elections in October. That's it. By the way, this is a return to how rental fees were done originally.

Two board members will be retiring in October. Now is your opportunity to get involved. Put the yoU in commUnity. Join us at our monthly meetings on the third Tuesday of each month at 5:30.

Thank you, Winslow for being part of this labor of love.

Congratulations to the Winslow Mountaineer Extension Homemakers Club

The Mountaineers EHC received the Grand Champion Ribbon for their project at the 2024 Washington County Fair. The theme, “Get Home Bag” was timely considering the tornado that ravaged the Decatur-Rogers area in NW Arkansas earlier this summer. This project suggested items that can be packed in a backpack or anything that can be ready to grab and go in case of a disaster.

The project is on display at the Winslow Museum until September 30th. There is also a list of suggested items to put in your “Get Home Bag”. Stop by and get some ideas for your “Get Home Bag”.

The Mountaineers want to extend a special thank you to Farrel Henson for building the beautiful display case, to Kris Wells from Ozark Survival Supplies and Doug and Marilyn Koniski for the supplies. Thank you to Project Committee, Chris Allen, Debbie Wells, Ellen Center, Marilee Henderson, Marilyn Koniski for putting it all together and setting it up.

YOU THINK ABOUT THAT

By Wesley Wood

Romans 1: 21, *Because that, when they knew God, they glorified him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened. 22, Professing themselves to be wise, they became fools, 23, And changed the glory of the uncorruptible God into an image made like to corruptible man, and to birds, and four-footed beasts, and creeping things.* (Due to its Complacency, and committing the sin of omission, allowing what is happening in this country and the world today, the "Church" is implicated in what Paul is describing in these scriptures.) Matthew 12:29 *Or else how can one enter into a strong man's house, and spoil his goods, except he first bind the strong man? and then he will spoil his house.* The "Church" allowed itself to be bound by the "Strong" man in 1954 with the "Johnson Amendment" and has become weaker and weaker and today has zero influence in this country and the world. Christ is not happy. 75% of Churches agree on everything from the Bible, yet they are divided. And this division is based on the 25% they don't agree. And for some demonic reason, they think they can't work together for the common cause and truth of Christ. They think they just can't get together in agreement for just this one simple truth. Jesus taught us to be the light of the world, and salt of the earth, promote morals; stop the evil going on in our society, which we all can agree on is demonic and dumbing down of everything good. Some can be eliminated, some cannot, but their influence can be and should be minimized. We are allowing Drag queens and perversion to be teaching children and demon possession as normal, which certainly isn't Christ like. John 2: 13, *And the Jews' pass-over was at hand, and Jesus went up to Jerusalem. 14, and found in the temple those that sold oxen and sheep and doves, and the changers of money sitting: 15, And when he had made a scourge of small cords, he drove them all out of the temple, and the sheep, and the oxen; and poured out the changers' money, and overthrew the tables; 16, And said unto them that sold doves, Take these things hence; make not my Father's house an house of merchandise.* That is Christ's example of how to take care of the wrongs going on in our society. Yes, Jesus was violent because in that day violence was the only way to eliminate the evil. However, the main take away of this example is; Stop it, Eliminate it from society, because to keep allowing it would end with the ruination of any society. What was going on there in the temple was "Morally", wrong according to the law of God, his Father. Not only the Bible, but History teaches us, that participating in and promoting declining "Morals" as has happened in all the past Empires, Societies, Countries or any other, description of past civilizations, "Morals in Decline" has ended in the total destruction and demise of the

same. Baby killing and harming Children in any way is the lowest of "Low Morals". That is so heinous it actually disgraces the term "low morals". Anybody that votes for a party that promotes such; is not a Christian. That is not Christ-like. Jesus said; anyone that harms one of these little ones, it would be better for that man to have a millstone hung around his neck and he be cast into the sea. Anyone complacent in the process of eliminating this act is in the same category as the "man" Jesus is referring to. Doesn't matter how many times a day, a week, a month, you go to your church social club. Hell, still awaits you. Gods' Mercy and Grace will "Not" be extended to you. 1 John 5:16 *If any man see his brother sin a sin which is not unto death, he shall ask, and he shall give him life for them that sin not unto death.* There is a sin unto death: I do not say that he shall pray for it. Jesus said; "Suffer little children to come unto me, for such is the "Kingdom of Heaven". We are living in the most perverted times in the history of this nation. I am now hearing of the real possibility of the collapse of the United States of America as a "Democratic Republic" country. What the Church has allowed to happen to children is 90% of the cause of this decline, the other 10% is the moral decline that the Church has also allowed to happen because they refuse to come together with the 75% that they can agree on and stop these crimes against humanity, resulting in low morals dominating our society. Christ is not happy. He came to this earth to make our lives better, and we; as a Christian nation have rejected him completely. The church has put its light under a bushel. The Church is now; no longer the light of the world, the salt of the Earth as Christ commanded the church to be. We have gotten lazy. We have let our selfish desires to control us. Turned us away from the truth that we know and have believed a lie, based on feeling good or feeling bad; if it feels good, we do it without regard of the consequences. Ezekiel 22:30, *And I sought for a man among them, that should make up the hedge, and stand in the gap before me for the land, that I should not destroy it: but I found none.* And from the evidence of the evil that's happening. Don't think he's found one. But he's still searching for someone who will stand up and speak out effectively about ending this perversion going on in this country and in this world. I know of a church in this area that allowed a man to stand behind what they call "the sacred desk" and literally tell the people that they had to vote for the baby killers and the promoters of Perversion. That is an abomination in the eyes of God. And is, the reason, it's still happening and destroying our country. Nehemiah 1:4 *And it came to pass, when I heard these words, that I sat down and wept, and mourned certain days, and fasted, and prayed before the God of heaven.* If only we had some Nehemiahs', in this world today. I believe there will be a Judgment day. I believe you and I will be there to answer for "Our" own personal actions. I'm Wesley Wood,

Conversation with an Old Black Dog Part III

Are you wondering how we could have such a good Friend? Me too. Sometimes it seems too good to be true. People tell us if something sounds too good to be true, it isn't. But they're wrong. This time it is true!

He reached over and picked up a black Bible from the end table next to his chair.

See this Book? I read it a lot. It's the best Book ever written, and it has the best news ever given to the entire universe. Jesus, our Friend, and His Father loves us much more than we love each other. I know that seems impossible, but it's true. If we don't accept His gift, He's going to miss us forever. When He takes us to the home He's made for us, our tears will be wiped away. Yet I think He'll still cry when He remembers those who didn't come along with us.

He reached down and stroked the fur between her ears. She cracked her eyes open, then closed them and let out a sigh.

All this can happen because our Friend left His heavenly home and was born here just like you and me. In fact, you and I have had it better than He did. He was really poor. He worked very hard. I hope He had a great dog just like you.

He lived for 30 years, and then He put away His carpenter's tools and spent the rest of His life telling everyone about His and our wonderful father. His Father always gets blamed for all the bad things that happen here. Jesus wanted people to understand that this just isn't so!

The bad things are the result of our mistakes and the ways of evil people.

Jesus did marvelous things. He gave new eyes to blind people. He fixed people so they could hear and speak and see. He even raised dead people to life again! Those miracles were samples of what He will do for all of us who believe Him and accept His gift.

He looked at her as she lay sleeping at his feet and wished he could drop off to sleep as easily as she did. He thought maybe it was because she didn't worry about it.

Until next month,

May our loving Heavenly Father bless you with friends that care, health to spare and love to share.

See you next month,

Larry Smith
