THE SIXTH ANNUAL WINSLOW RUN HALF MARATHON AND 5K

THE SIXTH ANNUAL WINSLOW RUN HALF MARATHON AND 5K will be held Saturday, September 10th from 8 a.m. until noon.

Proceeds from this race support local organizations that benefit Winslow and the surrounding area. Please help us make it a success.

Half Marathon runners will start at the former Winslow school on US 71 at 8:00 a.m. and will immediately turn left onto School Street. The 5k will start 15 minutes later and will follow the same course.

From Main Street, the runners will turn right onto Van Buren. Within 45 minutes, Van Buren to Center Street should be clear of most runners.

Runners will continue along Van Buren to Bunyard Road. There will be runners on this part of Van Buren and Bunyard Road from just after 8 a.m. until close to noon. There will be runners on Center Street from about 8:30 a.m. until noon.

By participating, the runners are contributing financially to our community. To thank them and to keep our community and the runners safe, the Winslow Community Development Council is asking residents to:

- Please avoid driving on the course between 8 AM. and noon on Saturday the 10th.
- If you have dogs, please keep them restrained during the race.
- If the runners are passing your house, come out and cheer them on!
- Finally, you can sign up to join the race or volunteer to help by writing the email below.

WHAT'S GOING ON IN WINSLOW?

The City of Winslow will be very busy for the next week or so resurfacing some of the streets in town due to a \$250,000 grant from the State Street Aid Program. This will involve preparing the streets and covering them with an inch and a half overlay of asphalt.

The following streets will be covered by the grant, Main, School, Van Buren west of Main, and Peek Ave. The City will also be working on Wexel, Two Gun Rd, Sunset inside the Winslow City Limits, Belle Starr and part of Rickman. If the weather will cooperate this project should be done by the end of next week.

A big Thank you goes out to Ken Stout for his help in securing a Beaver Lake Watershed Grant to make Winslow a Tree City USA. This grant required meeting 4 requirements, a City Proclamation, a City Ordinance, Planting Trees, and Volunteer Hours. The volunteer hours were more than met with the hours from the Master Gardener's and the volunteers for recycling and other activities in Winslow. This grant will cover the cost of planting trees in Winslow, eradicating Kudzu that is trying to take over, and removing dead trees in the Ballpark and Peek's Park.

A joint project between the City and the Win-Fest committee at the Ballpark will be near completion in the next couple weeks. The stage, dugout, & Concession Stand are being painted and spiffed up. Behind the stage Jeff Jackson and Chris Masa built steps from the access road to the stage down to the level behind the stage and Jerry Sample is building the handrails for it. A huge "Thank You, Guys", I, for one really appreciate it.

LET'S CLEAN-UP

In the next few weeks of September and October Winslow will be having lots of visitors. The Winslow Run on the 10th of September, Win-Fest on the 17th, Bikes, Blues, & BBQ always bring lots of Bikers through this area, many people plan vacations through this area of the Boston Mountains to see the changing colors of the leaves, past residents of Winslow travel when the weather cools off to visit the City of their "Roots", or maybe just for no particular reason. Let's spiff up our yards, pick up all the broken branches, tidy up the waning gardens and cut out the dead and dying plants and make Winslow a City that everyone will admire as they pass through.

WINSLOW LOVED ONES WE HAVE LOST

Bobby Joe Center, June 25, 1933~August 6, 2016

Bobby Joe Center, 83, of Winslow passed away August 6, 2016 at his home. He was born June 25, 1933 in Winslow to Alvis and Sally (Jones) Center. Bobby Joe attended Winslow Schools from which he graduated in 1952. He served his country by enlisting in the U.S. Army during the Korean War, spending his service-time in Germany. He returned home to marry his high school sweetheart, Ellen Summers. They were happily married 61

years. Together they had 5 children.

He is preceded in death by his parents and siblings, Jack Center, Bonnie Beaver, Eugene Center, Christine Jones, Ruth Nicholas, Ralph Center, Calvin "Sonny" Center, James "Pete" Center, Johnny Center and one grandson, Marc Lewis. Left to cherish his memory and continue his legacy are his wife, Ellen Center; daughters, Debra Wells (Keith) of West Fork and Julie Center Dilworth (John) of Winslow; sons, Lindell Center (Debbie) of West Fork, Darrell Center (Diane) of Winslow and Arthur Center (Heather) of Winslow; and one brother, Jerry Center of Winslow. Bobby Joe has 20 grandchildren and 19 great-grandchildren and many beloved nieces and nephews.

Bobby Joe loved his home in the Boston Mountains of Washington County and the beautiful country God created. Bobby Joe had a strong work ethic that he lived by. He was a bulldozer operator, who built many roads and ponds in the tri-county area and also owned and operated a lumber and sawmill business. He helped his community by serving several terms on the Winslow School Board. But most of all, he was a family man. He loved his family and enjoyed spending time with them.

Storytellers of America is planning a StoryCon on Friday night and Saturday morning, November 11, 12. It will be held in Rogers at the Holiday Inn. Mark your calendars, this will be fun. It will embrace all the creative arts and artists in Northwest Arkansas. Musicians, playwrights, illustrators, poets, fiction and nonfiction writers will come together to visit and enjoy entertainment by comedians, song writers, speakers from all media. There's a map at the bottom of the page on our website. StorytellersofAmerica.com

The cost is \$50 for the convention. A Friday night supper and the awards banquet will be extra. Prizes will be awarded to people in all the fields who have entered the contests.

If you're interested in entering, check Storytellers of America Facebook page for information. Contest Rules follow this article for those that may not have internet access. More will go up as we know more. This has snowballed on us and grown so fast since our first conception that we're struggling to catch up.

Speakers and performers will be announced on our Website as soon as we get everything in good order. Hopefully by next month's newsletter we'll have a lot more information. Mark your calendar now. You're gonna love this.

Meanwhile I'm working on my next book in the Twist of Poe romantic suspense series that's set here in Arkansas. Will you see yourself in it? Who knows, could be. #3 The Pit and the Penance came out in May and this one, #4 Masque of the Rising Moon will be out next spring in print, hard cover and Ebook. Do you recognize Poe's titles twisted for mine? I'm having so much fun writing these because the heroine is a reporter on a small rural newspaper. Sound familiar? Lots of experiences to feed the plots as well as locales and wonderful characters. Hope you're reading and enjoying them. Give me a review on Amazon if you get a chance. I've also got some short stories on Amazon on my page you might enjoy.

If you like westerns check out our magazine Saddlebag Dispatches available online free or in print for \$20. It's marvelous.

There will be an Author's Book Signing at Winslow Library on Saturday October 15, 2016. More information in next month's Within Winslow.

Don't forget, when searching for anything online, all you have to do is ask Google. Hope you've had an enjoyable summer.

Winslow's EHC Wins Grand Championship Ribbon

Winslow Extension Homemakers Club won First Place and the Grand Championship Ribbon at the Washington County Fair for their display "The Beneficial Bat". The display showed places where you will find bats living by pushing a button and lighting up the various homes of bats, a few being, caves, under the eaves of houses, under bridges, hollow trees, under the bark of the Shag bark Hickory tree, and in bat houses and yes, you might even find a few in the belfry.

Many bats are on the endangered species lists. Many have been lost to White-Nose Syndrome. At present White-Nose Syndrome has not been found to affect humans.

Contrary to "old wives tales", bats are not hazardous to your health nor are the carriers of rabies. They can contract rabies just as any mammal can but are rarely aggressive as are the four legged mammals. In fact they are not an aggressive animal at all. They are also an exceptionally clean animal.

A colony of 30 bats will consume thousands of mosquitoes, gnats and other flying insects in one night. With West Nile Virus and the Zika Virus found in Arkansas recently this is a good time to have some colonies in your yard.

There are many interesting facts about bats and benefits they provide around your homestead.

Devil's Den State Park has a Bat 'O Rama every year explaining the kinds of bats found in this area, their habits, and the advantages of having them around. This display is being donated to Devil's Den for teaching purposes and will be available for the public to see. They will also have the flyer that was with the display on building a bat house. Fall and winter are the best time to put up Bat Houses.

Shown at right are 5 of the 12 committee members that worked on the project.

Schedule:

- Morning workshop: 9:00 am to 11:30 am Students will learn basic belly dance moves and technique
- Lunch: 11:30 am to 1:00 PM People can bring their lunch, or head over to Grandma's Cafe for some down-home southern goodness.

- Hafla(party): 5:00 PM to 8:00 PM Potluck dinner and drinks open to all followed by a performance by Squirrel Jam and dance performances

We will then have a break to allow everyone to change clothes for the evening hafla, which will feature a potluck dinner outside as the sun sets, while Squirrel Jam, an Ozark Folkways favorite, performs. Immediately afterwards, we will have a dance performance and party where your instructor will perform for you, you get a chance to perform the dance you learned, and we all get to let loose and freestyle to some traditional and modern belly dance music!

EARLY BIRD REGISTRATION by October 1

\$35 for the first workshop*, or \$55 for the full day

AFTER October 1

\$40 for each workshop*, or \$65 for the full day

*Technique will not be taught in the second workshop. If you have some basic experience, feel free to attend the second workshop only.

Who Should Attend?

Anyone new to belly dance, who has always wanted to try it, but hasn't yet; and anyone who is still a beginner in belly dance wanting to learn some new moves and a new routine. These workshops are for any level of physical conditioning, any shape and any size.

What should you wear?

You don't have to show your belly ... but you can if you want to! Wear comfortable pants, like yoga pants, and a top that is comfortable yet fits closely enough to your body so the instructor can see your torso moves.

Lileith is happy to take any questions at dancewithlileith@gmail.com, or 479-856-1576 (leave a message if there is no answer right away).

YOU THINK ABOUT THAT

DOERS OF THE WORD

James 1:22, But be ye doers of the word, and not hearers only, deceiving your own selves. 23, For if any be a hearer of the word, and not a doer, he is like unto a man beholding his natural face in a glass: 24, For he beholdeth himself, and goeth his way, and straightway forgetteth what manner of man he was. Verse 22 he's saying going to your favorite Church social club once a week ain't gonna cut it. Verse 23 and 24, how many remember what your preacher talked about last time you were there? I would have to say from the evil prevalent in this country 60 million babies killed, same sex marriage legal, the filth in every TV show and yes you so called "Christians" are watching it or it wouldn't be on and the filthy music on the radio and yes you so called "Christians" are listening to it or it wouldn't be on and the fact that Hillary Clinton and Donald Trump are our nominees for President shows there are not any "Doers" of the word around today. Anyone voting for Clinton is Not a Christian and Hell awaits you. I don't care how many times you warm the pew of your favorite Church Social Club. Hebrews 10:26, For if we sin willfully after that we have received the knowledge of the truth, there remaineth no more sacrifice for sins, There were many well qualified candidates in the Primary with a proven record of much higher moral standards than Trump and should have been nominated had there been active responsible "Doers" of the word. Now that we are stuck with Trump. He does say he has changed his view to higher moral standards and we have no choice but to takes him at his word. Writing in or not voting to ease your conscience is a cop out and a sure vote for Clinton which will take you straight to Hell. How's that you say; God forgives when you ask. Yes he does, however a baby is killed, pulled apart every 90 seconds. Clinton will make that every 30 second and if you vote for her that makes you an accomplice to everyone of those murders. So, can you ask forgiveness for the murder of a baby every 90 seconds? I seriously doubt it. There's an old gospel song you can find it on youtube called "My Lord Keeps A Record" of every moment you're living down here. There will be a Judgment day and you will be there to answer for "Your" own personal actions. I'm Wesley Wood, YOU THINK ABOUT THAT!
