An Essay About The Formation Of The Winslow Community Center Association, Its Goals, Purposes, And Successes.

By Jerry Bromley

PART 2

We filed for incorporation papers with the state of Arkansas and paid our filing fee (\$50.00). Gary Simpson Worked with the University of Arkansas Law Clinic to get our legal papers written. We worked on our bylaws, and after various changes and amendments, we approved them. We applied for 501C3 status with the IRS. We needed to have two public meetings, so we put up flyers advertising the first one to be at the WHS Rock School building the ninth of December, 2014. It was well attended with over forty persons in attendance. We discussed our aims, purposes and plans. We had a lot of input from those which attended the meeting.

We scheduled a second meeting at the Brentwood Community Center for January 13th, 2015. It was well attended also, and much discussion and ideas were shared. There were over fifty persons signed the attendance sheet, and there were some that didn't. We felt that both meetings were a success and we received much input from the community. We received our incorporation papers on January 2, 2015 as an incorporated entity. We are making progress on becoming capable of receiving the School property and we will diligently seek to get it.

Gary Simpson, (our President) said at our March 20th meeting, that he had attended the Greenland School board meeting (March 19) and that they had voted unanimously to begin proceedings to donate the property to the WCCA. This was very good news. We continued to meet together and refine our bylaws, organize fundraisers, plan projects, and implement different ideas and suggestions into these plans and goals. Gary Simpson met with the Arkansas Law Clinic and received needed help with our legal needs. On March the 18, 2015, we received our 501C3 status papers from the IRS making us eligible to receive the former Winslow School property. We have made advances and are marching toward our goal. I will have more to come next month.

Winslow HIPPY News

Home Instruction for Parents of Preschool Youngsters (HIPPY) is a parent involvement, school readiness program that helps parents prepare their 3, 4, and 5 year old children for success in school and beyond.

We believe the parent or guardian is the child's first -and most important - teacher. We provide the parent with carefully developed, age appropriate lessons, books and supplies (crayons, scissors, glue, etc.) designed to strengthen their children's cognitive skills, early literacy skills, social/emotional and physical development. We offer monthly group meet ups that focus on learning and FUN such as fire safety at the Winslow Fire Station and a ride on the train in the spring. This program is FREE for qualifying families.

Please call Terry Reed (479)445-0706 for more information or to sign up and please help me spread the word about this important program.

Delmar Ferrell

September 14, 1938 - August 10, 2017

Delmar Ferrell would like to let you know that his work here on earth is done. He received his call on Thursday August 10th for a heavenly appointment which he previously scheduled from which he will not be returning. This assignment comes with a huge sign-on bonus, a reunion with family and friends he has not seen in a long time. His new mission takes him to a wonderful place where he will be worshipping, praising the Lord, hugging his mom, meeting up with family and friends that have gone on before him, meeting His Savior and running on streets of gold.

Delmar is survived by his Childhood sweetheart Sherry Ferrell. In November of 2017 they would've been married 61 years. His daughter DeAnn Risley and husband Tracey of West Fork. His son David Ferrell and his wife Kelly also of West Fork. He also left behind his greatest earthly treasure....His grandchildren Justin Risley and his wife Dawnetta. Jordyn and husband Nick Brill. Rachel and her husband Zack Merrick. Jassa and her husband Charley Gardner, and Joshua Ferrell. Three great grandsons: Brayden, Kaegan, and Corbyn Risley.

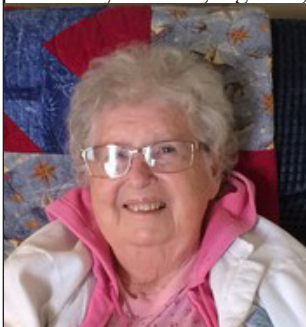

Delmar grew up in Rogers, Arkansas and graduated from Arkansas Tech. He worked as a coach, teacher, and administrator in many school districts including West Fork, Farmington, Greenland, and Shiloh Christian. He was an active member of First Baptist Church in West Fork where he served as a deacon and Sunday School Teacher for 45 years. He served as Fayetteville Police Department Chaplain and the Washington County Sheriff's Chaplain for over 10 years.

He loved competing in the Senior Olympics, where he won an embarrassing amount of First Place Medals. He regularly gave blood and over the years had given 41 donations. He loved supporting St. Jude's and he and his grandchildren participated in the bike-a-thons for many years. He and his wife Sherry started a scholar-

ship fund at West Fork High School to aid in West Fork Students attending college. Delmar's greatest joy in life was to see others come to know Christ. He has led countless people to the Lord, and planted seeds in many others.

Delmar always challenged his Sunday School Class to be FAT. (Faithful, Available, and Teachable). He lived that out in every area. The family is very certain that when he entered Heaven he got his very much desired "high five" from the Lord, followed by "Well done my good and faithful servant. Enter into My Kingdom". He will be missed by many, but will be reunited with those who believe. He would also want everyone to have a Super Day!

Come celebrate his life with his family and friends on Friday August 18th at 2:00 PM at First Baptist Church with video overflow in the Family Life Center. Visitation was at Nelson-Berna Funeral Home in Fayetteville on Thursday August 17th from 6:00 PM until 8:00 PM.

VELDA'S WORDS

By Velda Brotherton

Velda will be at the Fayetteville Public Library Sunday Sept. 10 from 2-4 p.m. She will talk about the reality and fiction of her characters and how writers use life happenings to create those who live, work and play in their books. Ever think you recognized yourself or friends in your favorite books? It may well happen. She can guide you through this process and talk about her experiences over the years in meeting and utilizing folks she ran across during her many years interviewing people for her newspaper articles.

She also has a special gift picked out as a door prize. You'll want to win one of her silver turquoise rings from her collection of many years of travel through the west. Maybe even hear the story of how she came about possessing the ring.

There will be refreshments and she'll have copies of many of her books to autograph for visitors. Her latest western historical romance, Tyra's Gambler and Remembrance, a novel based on a true story that will tug at your heartstrings. She'll also let you in on some new books already available at Amazon or coming out soon.

See you there. Bring an appetite for wonderful reading.

Winslow Community Center Association WCCA

So many changes and so much progress!

The Winslow Community Center Association would like to begin the article with a sincere expression of gratitude to our former President Jerry Bromley. Jerry stepped up after Gary Simpson became ill and took the reins and lead us through our infancy. Our gratitude for his efforts is unending.

September will be a very busy month at the Community Center. Saturday morning tutoring classes will be offered in the library. Anyone interested in their school kids getting a little extra help in any academic subject should contact Tanya Farris or Liam Johnson through the WCCA email at wcca@slowntowne.com.

Our normal 1st Saturday clean-up day will be moved to the 4th Saturday in September. That's Saturday, September 23rd from 9 am until 1pm. As always, there will be food and drinks provided for our volunteers. This is an especially important clean-up day as we will be getting ready for our 2nd Annual Fall Festival on October 14th.

Cooking classes resume in September as well and the first class will be on Thursday, September 21st. Don't miss out on Stir-Fry Teriyaki Chicken and Rice! If the luck holds out, this class might be taking place in the KITCHEN! Fingers crossed.

You will find in this edition of Within Winslow an application form for membership to the WCCA. Membership annual dues are \$10.00 per person or \$25.00 per family. Please take the time to join the Association and become part of our progress and our future. September will be Membership Drive Month as we approach our October Board Member elections. You must be a paid member in good standing to vote for our Board. Any memberships between now and the end of September will be good through October 31, 2018.

Speaking of Board elections! There are currently two board seats that will need to be filled during this election. That special meeting will take place on Saturday, October 28th at 5:00pm.

Adult men's basketball is currently going on Tuesdays from 4:30pm until around 7pm. Fee for playing is \$2.00 for non-members and no charge for WCCA members.

Children/youth basketball is going to be initially offered on the 2nd Saturday of each month from 9am-11am and on Mondays from 3:30-5:30pm during the school year. As we get more adult volunteers to supervise – we can offer the kids extra time for basketball in the gym. Please contact Tanya if you have a child interested in playing basketball in this program.

Looking forward to fall in Winslow and at the Winslow Community Center!

W-D 40

WD-40 was created in 1953 by three technicians at the San Diego Rocket Chemical Company. Its name comes from the project that was to find a 'water displacement' compound. They were successful with the 40th formulation, thus WD-40. The Convair Company bought it in bulk to protect their atlas missile parts. Ken East (one of the original founders) says there is nothing in WD-40 that would hurt you..

WD-40 uses:

1. Protects silver from tarnishing
2. Removes road tar and grime from cars
3. Cleans and lubricates guitar strings
4. Gives floors that 'just-waxed' sheen without making them slippery
5. Keeps flies off cows
6. Restores and cleans chalkboards
7. Removes lipstick stains
8. Loosens stubborn zippers
9. Untangles jewelry chains
10. Removes stains from stainless steel sinks
11. Removes dirt and grime from the barbecue grill
12. Keeps ceramic/terra-cotta garden pots from oxidizing
13. Removes tomato stains from clothing
14. Keeps glass (and plastic) shower doors free of water spots
15. Camouflages scratches in ceramic and marble floors
16. Keeps scissors working smoothly
17. Lubricates noisy door hinges on vehicles and doors in homes
18. It removes black scuff marks from the kitchen floor! Use WD-40 for those nasty tar and scuff marks on flooring. It doesn't seem to harm the finish and you won't have to scrub nearly as hard to get them off. Just remember to open some windows if you have a lot of marks
19. Bug guts will eat away the finish on your car if not removed quickly! Use WD-40!
20. Gives a children's playground slide a shine for a super fast slide
21. Lubricates gear shift and mower deck lever for ease of handling on riding mowers
22. Rids kid's rocking chairs and swings of squeaky noises
23. Lubricates tracks in sticking home windows and makes them easier to open

YOU THINK ABOUT THAT

By Wesley Wood

DOERS OF THE WORD PRIORITIES

Matthew 7:21 *Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; but he that doeth the will of my Father which is in heaven.*

James 1:22 *But be ye doers of the word, and not hearers only, deceiving your own selves.*

At first glance this may seem to be the same as August but there is a very important point I wasn't able to make in August so we're going for September. That is, where are your "Priorities" on this issue "Doers Of The Word"?

Number 1, do you believe the bible is absolute? There is a literal burning Hell and you will go there if you don't conduct your life by the rules set forth there in?

Number 2, how many times a day do you seriously think about how what you are doing complies with what the Bible says? Number 3, how serious are you about your role in our government and how the laws comply with the Bible.

Number 4, on a scale of one to ten how much does it bother you and how much empathy do you have for the baby being pulled apart in its Mother's womb every 90 seconds.

Number 5, how many times a day do you think about the perversions being forced on you and your children and how repulsive are they to you?

Number 6, what do you think about the fact the innocence of your children no longer exist?

Number 7, all these liberals saying we are suppose to be tolerant of these immoral sins they want to perpetrate on our society.

Do you think God is tolerant? Psalm 9:17 *the wicked shall be turned into hell, and all the nations that forget God.*

There will be a Judgment day and you will be there to answer for "Your" own personal actions. I'm Wesley Wood, YOU THINK ABOUT THAT!

Checkout my new website www.godslastcall.net Click the links at the top and watch the videos. "I Survived A Late Term Abortion" a must see. Get the book "The Great Evangelical Disaster" by Francis A. Schaeffer written in 1984. Every Church member and professing believer need to read this book. You can get it on Amazon, hard copy or kindle. I challenge you to compare it to my video on youtube." GOD'S LAST CALL TO THE CHURCH OF THE UNITED STATES OF AMERICA"

"Jesus Himself... walked along with them."

WHERE IS THE LAMB?

For three days they had been traveling. At last Abraham and Isaac halted at the place of sacrifice. But Isaac realized something was very wrong. The wood and the fire – the external trappings of their religion – were present. But Isaac saw that the essential ingredient – the lamb – was missing! "Where is the lamb," was his puzzled question. Abraham calmly replied: "God will provide for Himself a lamb." (Genesis 22:7-8.)

The substitute lamb God provided to take Isaac's place was a powerful symbol of the lamb God would later provide as a substitute for all of humanity — the One of whom it was said: "Behold the Lamb of God, who takes away the sin of the world." (John 1:29.) Jesus is truly the essential ingredient in our religion!

Often today, we can't help wondering, "Where is the Lamb?"

(1) *Where Is The Lamb In Much Of Modern Religion?* We have witnessed the rise of a Christ-less "Christianity"! Many churches are more interested in politics than in a crucified Savior. Philosophy, Psychology, and Sociology declaim from pulpits where the Lamb is excluded. While clinging to the external trappings, many churches have jettisoned the essential ingredient! (Colossians 2.8.)

(2) *Where Is The Lamb In Modern Life?* Christ has been exiled from court house and school room. He is excluded from the conference rooms of big business and ignored in the halls of government. His name is rarely mentioned in casual conversation except as blasphemy. He is banished from the ball park and the movie theater. He must be content with an occasional mention on the religious page of the newspaper. (Colossians 1.27.)

(3) *Where Is The Lamb In The Lives Of His Followers?* The most shocking void of all is the absence of the Lamb from the lives of many who claim to be His disciples. How tragic that the lives of far too many Christians do not really reflect the image of Christ! The world cannot see the Lamb in us if He is not there! (Colossians 3.1.)

A world entangled in a moral wilderness cries: "Where is the Lamb?" May we find the courage to direct them confidently to "the Lamb of God who takes away the sin of the world."
